Objectives:

- To understand the importance of public speaking.
- To learn to control the fear of speaking in front of groups.
- To introduce oneself with confidence.
- To find own style of presenting.
- To increase the confidence of the students.

Report:

A Seminar was organized for MBA students on September 12th, 2018 on the Public Speaking.” by TIAS, to make the students understand the importance of Public Speaking on the subject’ **“Art of Public Speaking”**. The speaker Mr. Abhishek Vyas, informed the students that people who learn to effectively speak in public are not afraid of taking leadership roles, and are often perceived as being better leaders than those who do not give speeches or presentations. He also informed how to control the fear of speaking in front of groups. Students were made to understand various techniques to help improve the presentation style, how to use verbal and nonverbal communication to enhance the speech. The seminar was supervised by the Training & Placement Cell. The seminar was well received by the students.

Learning Outcome:

- Students’ knowledge about the Public Speaking and its importance was enhanced.
- Students’ awareness about basic theories and skills that are essential to effective public speaking was enhanced.
- Students’ confidence in performing the deliberations on real life problems was increased
- Students’ confidence was enhanced.
