Report of Workshop on “Dust Control Measures at construction sites to Control Air pollution”:

Tecnia Institute of Advanced Studies (Eco Club) organized a Visit on 9th October, 2018 at Main Auditorium, Delhi Secretariat, I.P. Estate, New Delhi for TIAS Eco Club students for attending the workshop on “Dust Control Measures at construction sites to Control Air pollution” with the following objectives:

1. To make the peoples aware about the Air Pollution and its impact on human life.
2. Understand the basic causes of Air pollution.
3. Understand the harmful effect of Dust on Delhi/NCR
4. Be able to explain Dust Control Measures.

TIAS Eco-Club Students at Venue

As we reached the Main Auditorium, Delhi Secretariat, I.P. Estate, New Delhi at 10:00 am, students were accompanied by Representative of Department of Environment, Govt of NCT for registration of workshop. After registration we went to the Auditorium, In the Beginning, Dr.Chetna Anand, Scientist (Environment) gave a brief Introduction about the workshop, she welcomed Chief Guest Sh.Imran Hussain, Hon`ble Minister (Environment and forest), GNCTD. After that, workshop started with the worship of Maa Saraswati by lighting the lamp by all the dignitaries present on the dais. Firstly, Eco Club School students had presented a group song on the polluted environment. After that, Sh.Imran Hussain ji address the gathering with their views about the hazardous effect of air pollution and gave some dust control measures.

(School students performing group song)

(Lightening of Lamp)

In technical Session, **Sh. Pankaj Agarwal**, Additional Director, Central Pollution Control Board (CPCB) gave detailed presentation on Dust Pollution and its adverse effects on Delhi\NCR and interacted with the students and answered their queries and its Impact etc. Then, **Dr. Niraj Sharma**, Sr. Principal Scientist, Central Road Research Institute (CRRI) gave detailed presentation on Air pollution and Dust Control measures. At last, **Sh. Vikas Singhal**, DGM (Env), Delhi Metro Rail Corporation (DMRC) gave details presentation on Metro construction work and how to control dust over Delhi.

(Some Glimpses of Technical Session)
