Learning objectives set for the Independence Day celebration with the students of special capabilities were-

- 1) To sensitize the students towards the individual with special capability (Divyangs).
- 2) To improve the overall personality of the students.
- 3) To make aware about different issues to students and their role for nation building.

Report:

BA (J&MC) students visited Ashtavakra Institute of Rehabilitation Science and Research on 14th August 2018 on the occasion of Independence Day celebration. The main objective behind this visit was to sensitize the students of BA(J&MC) program towards individuals with special capabilities. During the celebration chairman Tecnia group of institution's Dr. Ram Kailash Gupta address to student's. He said on the occasion that special capable (Divyang) students should be brave and face all the challenges with courage. He interacted with special capable students and gives their own blessing and wishes of all students.

TIAS students interacted with them and enjoyed various cultural activities performed by the students of Ashtavakra Institute of Rehabilitation Science and Research. Students of Ashtavakra Institute of Rehabilitation Science and Research seems very happy after interacting with the BA (J&MC) students. Students who have participated in the programme they said such type of programme is very helpful to understand people of different needs.

Cultural activities were held and the gathering was treated with some spectacular musical feats. The special capable students explained the meaning and relevance of the three colors of the Indian flag. A melodious presentation of 'We Shall Overcome' and dance on a foot tapping patriotic number were the major attractions. A total of 25 special capability (Divyang) children gave a splendid performance that brought tears to the eyes of the spectators. During the dance recital, 9 children performed doing hand movements with flags whilst sitting in their wheel chairs arranged on two sides while the remaining students danced in the middle. March past and speech was done by special capable children and we ended up with National Anthem and distributed sweets.

We would also like to thank Dr. Namita Mishra, Head student's welfare committee for arranging this visit with the special capabilities students and scheduling a convenient date and time for the student. We would also like to thank our Director, Dr. Ajay Kumar for his necessary and timely support to make this celebration visit a success.
