## Objective:

- 1. To provide basics of how to face an interview**
- 2. To provide the concept of brain mapping**
- 3. To help the students to judge themselves**
- 4. To make the students capable to convince the interviewer about their abilities**

## Learning Outcome :

The workshop was held in the Seminar Hall of Tecnia Institute of Advanced Studies – PG Block on 20th September, 2010 (3:00 pm to 4:30 pm). Students of MBA –3rd Sem, MCA- 1st & 3rd Sem. attended the workshop along with some of the faculty members.

The students interacted with Ms. Ishieta Chopra. This workshop provided some basic c which the candidate should know before facing an interview. The trainer Ms. Ishieta Chopra presented a presentation about brain mapping in the seminar hall after providing a brief overview of the purpose of the workshop.

A good interaction between the students and the trainer took place in the workshop. Students were given the task of writing four qualities in them which they can explain with the help of examples or events and through which they can convince the interviewer that they are suitable for the job.
