Profile of the Resource Persons: *Major SE Kabir ; Mr. S.Subramanian ; Dr. RK Sharma*

Major SE Kabir: He has served in Indian Army for 9 years before joining the private sector. He is an alumnus of IIM Calcutta .He has been with NIIT for last 3 years and has served in different positions. Currently he heads the Delhi/NCR Territory for IFBI Businesses.

Mr. S.Subramanian: He is a veteran banker. He has served with SBI for over 2 decades and last position held by him was that of a General Manager. Thereafter he moved on various assignments with a diverse group of BFSI Organizations. Currently he is the Academic Coordinator for the North Zone of IFBI.

Dr. RK Sharma: He is an academician and having more than 10 years of teaching experience in the areas of finance and accounting along with 15 years of industrial experience with different organizations. He has conducted various seminars, FDPs, SDPs and other development programs. He has written more than 15 research papers in different journals of national and international repute.

Objective:

1. To update students about the various opportunities available in the areas of finance.
2. To develop the students in the financial sector which has become a paramount segment in the current marketing conditions.
3. It was also an effort to educate students about the various financial companies/institutions which can be their potential employer.

Learning Outcome:

To continue with our endeavor of developing students professionally and prepare them to face the challenging of turbulent corporate world a seminar on “Opportunities in Banking, Financial Services and Insurance Sector” was conducted on 21 Sep 2010. To meet this purpose very experienced experts from the industry were invited who shared their views on different emerging issues and other related issues.

Major SE Kabir from NIIT-Delhi was the first expert who shared his experience and give away important information about the various financial issues. He explained in detail about the BFSI sector and in particular about role of banks, Insurance sector and other financial institutions. He also updated the students about various opportunities available in these sectors.

Mr. S. Subramanian, a retired General Manager of SBI also shared his views and experiences about the various financial issues and he emphasized on the importance of financial sector. He explained in detail about the role of financial institutions in economic development of the nation. He also educated students with current data about the various contributions of different financial organizations in the last decade.

He also motivated students to choose finance as a career so that they can contribute in the economic development of the nation.

Dr. RK Sharma also updated and imparted various important information to students which would not only help in their academic excellence but in choosing their professional career too. He also motivated students to take advantage of such kind of development programs and use these learning in their assignments and other academic related works.

After evaluating the feedback from the students it was observed that they also found this seminar very informative and knowledgeable and recommended to continue conducting this type of programs on regular basis.
