Learning Outcome :

For the purpose of career development and a part of curriculum of students of BBA programme, a symposium on 'Career Planning and Personality Development' was organized on 21 Aug 2010 in Auditorium, New Building. Mr. Abhimanyu Bahl and Mr. Kunal Thakur, Guest Speakers for the session graced the occasion. Mr Abhimanyu Bahl is a Corporate Trainer and having 30 yrs of experience in corporate sector and His associate Mr. Kunal Thakur is a Branch Manager with Career Launcher, a renowned organization in the field of education.

After the welcome speech the stage was taken over by guest speaker for the day Mr. Abhimanyu, who shared his vast experience through different examples and related everything to one's personality. From general to specific he went on exploring the importance of each and every aspect of personality required in the corporate world. He categorically explained the meaning and importance of different personality traits and technique required to excel in the competitive age. He educated the students about GD, Body Gestures, Hobbies, Interview Skills and others which become a part of one's personality and required not only for success in corporate world but in day to day life too. He kept on educating the students about different personality traits required to excel and beat the competition. The speaker made the session very interesting by a mix of varieties of thoughts and real life examples.

After that Mr. Kunal Thakur took over the session and educated students about various career options, both in higher education as well as for corporate sector. He explored different career options in all the fields of management and made aware the students how they can choose better career in their field of interest. Students curiously cleared their all queries from the speaker and found satisfactory.

The students were found taking keen interest and the interaction rate with the speaker was very high among students. Feedback from the students shows that the program was very fruitful and knowledgeable as they could carry a lot from this session. It was general opinion of the students that this type of sessions would definitely help them in better placements and other career development activities. The objective of the session was achieved. The program was concluded with clapping from the students and vote of thanks was given by Ms Poonam Aggarwal, Faculty TIAS.
