- To encourage their participation in higher education.

### REPORT

The session on “Carrier opportunity in India and Abroad for Management” after BBA was held on 19th February 2013 at the Multi Purpose Hall, PG Building, TIAS. The convener of the programme was Dr. Namita Mishra and in charge of the programme was Ms. Rajni Bansal.

Mr. Prashant Gupta, resource person from IMS, Delhi delivered the lecture on various carrier opportunities in Indian and Abroad. He explained the difference between the Indian and Foreign educational system. Further, he discussed about the government regulations & job opportunities available in major educational hubs viz USA, UK & Australia. They also enlighten the students on availability of monetary assistance/Scholarship/research fellowship. He also discussed about the curriculum of management courses after graduation. Further he has explained about skills required for qualifying various entrance exams like CAT, MAT, GMAT and XAT. At the end, students interacted with the resource persons. They answered the queries of students and satisfied them.

### Learning Outcome:-

The students came to know about:

1. Various career options.
2. Courses run by various Indian and Foreign Institutes/Universities.
3. Scope of various courses in Corporate & Academics.
