Learning objectives:

- To create awareness and motivate the students for Blood Donation.
- To collect the blood units for future use in emergency cases.
- To provide students with a platform for providing their service to society.
- To bring awareness for blood donation by removing misconceptions related to blood transfusion.

REPORT

Tecnia Institute of Advanced Studies organized a blood donation camp in collaboration with "MY STORY" & "Rotaract Club of New Delhi" Club Id-5141 Zone No-2 on 13th March 2019. A blood donation camp was organized by National Service Scheme (Unit-1) of Tecnia Institute of Advanced Studies, Rohini & Rotaract Club of New Delhi in Multipurpose Hall, PG Building of TIAS campus from 11:00 AM To 3:00PM .The camp was inaugurated by Mr. Wamin Baluja , President of Rotaract Club of New Delhi, Dr Ajay Kumar, Director, Tecnia Institute of Advanced Studies, Dr. A.K. Srivastva, Chief Executive (Academic & Development) and Dr. Anuranajan Mishra, NSS Programme Officer, TIAS. In this camp overwhelming numbers of volunteers of different departments participated with vivacity. The students who voluntarily donate blood were given juices and biscuits after donating the blood in order to reenergize themselves. The students were provided with certificates who voluntarily donate the blood which was highly motivating and one year card validity. 74 volunteers have participated for blood donation camp.

The main aim of the event was to create awareness among students about the donation of blood and how it can help others person in emergency. Students from BJMC, BBA & MBA voluntarily contribute in this event.

The aim behind the event is to spread awareness and join hands with MY STORY & Rotaract club for the Nobel cause. The Rotaract Club President, Mr Wamin Baluja President of Rotaract club appreciated the efforts of the institute & MY STORY congratulating them for successfully motivating students and creating awareness about the benefits of donating blood. The event concluded with a happening and cheerful remark. At the end vote of thanks was extended by Dr.Anuranjan Mishra NSS Programme Officer (Unit-I).

Glimpses of event

Learning Outcomes

1. It provides the practical exposure to the students.
2. It inculcated a sense of responsibility among students towards society.
3. It also reduces the chances of heart disease and helps in fighting the hemochromatosis.
4. It also enhances the production of New Blood cells (RBC)
