Report- Plantation Drive

- EVENT:** PLANTATION DRIVE
- Convener:** Dr. Sheetal Badesra – Program Officer (NSS)
- Participation:** BBA, BJMC, BCA, MBA, MCA
- Date:** 14th August 2019
- Venue:** Tecnia Campus
- Timing:** 12:30 PM - 2:30 PM

Students and the faculty members of TIAS initiating the plantation drive with green thumb of Dr. Ajay Kumar (Director, TIAS).

OBJECTIVES OF THE EVENT:

- To create awareness and spread the message of saving our planet- 'Protecting our environment is the need of the hour.'
- To help nature and mother earth to get its natural beauty and components back.
- To help students understand the value of plants and trees.
- To inspire students for providing these services to society.

REPORT

A plantation drive was organized by Tecnia Institute of Advanced Studies, Rohini area of Delhi on 14th August 2019. John Keats once said “The poetry of the earth is never dead”, students of Tecnia Institute of advanced studies inculcate this perspective and in order to save earth from global warming and human deeds like afforestation students planted trees in their campus area and the surroundings.

Students brought different types of saplings and planted them in the campus. Plants are an important part of nature and for survival also. The ability of plants to control pollution and rejuvenate nature teaches us to plant more trees. Dr. Sheetal Badesra convener of the event said “We get oxygen and other components from nature which are necessary to survive so we should celebrate and thank mother earth and nature to give us so many things, it's our duty to at least plant trees in return and maintain sustainable development for the upcoming generations.

The special invitees of this event were Dr. Ajay Kumar (Director TIAS), Dr. Monisha (Chair Students Welfare) and all the Departmental Heads with the respective faculty members of TIAS.

Faculty members of TIAS feeling privileged for this golden opportunity of planting saplings.

Learning outcome

- Students were encouraged for proper maintenance and preservation of trees together with other vegetation.
- Students were made aware to uplift the quality of the living environment through active planting and afforestation.
- This event set an inspiring example for the coming generations to save and plant more trees.
