Objectives:

- To make the students aware about the scope, opportunities and advantage of pursuing higher studies at abroad after graduating from Tecnia.
- To make students understand the eligibility and requirements for admission in various universities at abroad.
- To inform the students about the process of Admission in different programs in prestigious University at abroad.

Report:

A Career Counseling session was organized for BBA students on September 4, 2019 on the topic "Study Abroad" by TIAS under the ambit of Capability Enhancement Scheme, so as to make the students aware about the possibilities of higher education in various Universities at abroad. The session was targeted to make the students understand about the scope and opportunities of pursuing higher studies at Canada. The students were also guided as to how to apply and get admission in different programs at different Canadian Universities. They were also given information about the time of admission and eligibilities and requirements for the same. They were also briefed about the IELTS and its importance along with the preparation strategies for it. They were briefed about benefits and advantages of pursuing higher education from abroad, along with avenues of job opportunities and prospects. The session also educated them about scholarship programs offered in Canadian

Universities. The one hour session was supervised by T&P Cell and was well received by the students in terms of content. At the end of seminar feedback was collected on various parameters

Learning Outcome:

- Students got information about various avenues of higher education at Canada.
- Students got information about the admission process in various universities at Canada.
- Students were able to understand about IELTS and its preparation strategy.

The Trainer Dr. Amardeep Singh Bindra, Bindra World Immigration Terminal informing the students about the scope and opportunity of higher studies at Canada.
