- To inculcate the sense of proactive action, innovation and teamwork among students towards environment.

## **REPORT**

A Campaign was organized by Eco Club of Tecnia Institute of Advanced Studies, Rohini , Delhi on 19<sup>th</sup> October, 2019. TIAS propagated Eco Club under the aegis of Department of Environment, Government of NCT of Delhi, has been dispensed accountable for edifying the overall Environmental Quality in Delhi NCR which has also been entrusted with the overall environmental assessment, monitoring, protection and awareness among the people of Delhi; multi-facets methods is being espoused by the Department for Promotion, Conservation and Preservation of Environment.

Institute's Eco Clubs plays an important role in creating environmental awareness amongst the future generation. It's a platform on which one gets the knowledge about environment. ECO CLUB works to contribute in improving environmental conditions. Tecnia Institute of Advanced Studies actively encourages students and outsiders to reduce plastic use. It is a medium through which students can reach out to influence, engage the community to promote green environmental behaviour.

The club sensitizes the students to discover new environmental issues and the actions required to mitigate them.

Awareness was spread to the masses regarding plastic free life and suggesting usage of alternate means like jute bags, copper bottles, eco-friendly files and folders, eco-friendly food boxes etc. Usage of Plastics should be stopped in canteens, shopping complexes in the institution premises and hostel. And awareness was spread to put a ban on non-biodegradable plastic items in the institution. Various ideas were given to carry out plastic free life , so the plastic free life can be made. More and more alternative solutions like cloth bags, covers need to be made. Eco Club provides an opportunity to help create awareness, build attitudes and enable students to take up activities and sensitivity among individuals and social groups to the total environment and its allied problems; and to Impart knowledge to help individuals and social groups gain a variety of experiences in and acquire a basic understanding of the environment. Eco Club member spread the information among the students and public at large about harmful effects of plastic.

**Students spreading information on “Say no to Plastic Use” during Diwali Mela**
