About Techno vision

Techno Vision-IT academic fest is an initiative of Department of Computer Application of TIAS to nurture the budding technocrats to hone their technical skills and competitive to prove dexterous edge over the others. It is a variety technological activities and a finest platform for the creative minds to show their talents in technical fields and come together to put their skills to test. It aims to motive students to come together and share their passion and love for technology. It provides an opportunity to the students, where they can exhibit their technical competence, Knowledge and skill sets required to be an effective IT professional.

Objectives

- To Create awareness amongst students about the latest trends in technology sector.
- To search the talent and to develop various facets of technical skills requirements.
- To enable participants to get practical exposure and brush-up their technical competency.

Inaugural Ceremony

The inaugural ceremony was started with the lighting of lamp by Director Dr Ajay Kumar and other dignitaries. In his speech Director elaborated the importance of Techno vision for Computer Application students. He also discussed about latest IT Buzz words like cloud computing, virtualization, Internet of things, Customer experience Management and Analytics .Dr. Vishal Khatri has given vote of thanks to director & all dignitaries for their presence in the inaugural.

Address By Director, TIAS

Felicitation Ceremony

Lighting of lamps by (From L to R: Dr. Vipul (Bjmc deptt), Dr. Ajay Kumar (Director, TIAS), Dr. Vishal Khatri (HoD, Computer Application Deptt))

Details of events organized in the TECHNOVISION-2019 are as follows:-

WEBSCAPE (Website Design):- Webscape is a platform where students showcase their web skills and create attractive and informative sites using latest tools and technologies like dot net, java, PHP, HTML etc. Co-ordinator for this event was **Ms. Roshan ara.**

RAPID CODERZZZ (Software Programming):- Programming is similar to a game of golf. The point is not getting the ball in the hole but how many strokes it takes thus sorting out complicated ideas into little steps. And that's the real essence of programming Co-ordinator for this event was **Dr. Jitender Rai**

TECH – SCRIPT (Technical Paper Presentation):- Technical paper presentation provides a platform to inculcate in the students a culture of re-search, thinking and presenting ideas & technology in a professional manner Co-ordinator for this event was **Ms. Indu Sharma.**

GAMER'S LOUNGE (LAN Gaming):- Gamers' Lounge is fight to win, fight to survive and come out with the victory. Spontaneity, intellect, Exuberance and passion are the key to win. Act now, Act Fast.....IF YOU DARE. Co-ordinator for this event was **Ms. Sania Kukkar.**

GOOGLE DANCE:-is an event from which we match the speed of participants with the Google. For that they have to search the given topic and make the presentation on the spot given topic within the given time limit and then to present his/her made slides. Go ahead! Accept the challenge”; prove your searching speed and present it! Co-ordinator for this event was **Mr. Mohit Tiwari**.

E-POSTER (poster Design):-If you think that you have the ability to play with different Software’s like Photoshop, CorelDraw, slides then come and be the part of event and showcase your talent on the spot. Co-ordinator for this event was **Mr.Shivendra Kumar**

BUG FINDER (Debugging):-Everyone Knows that debugging is Twice as hard as writing a program in the first place.So if you are as clever as you can be when you write it, how will you ever debug it? It conatins MCQ’s based on C, C++, java, HTML code. Co-ordinator for this event was **Ms.Ambooj**
