EVENT: Awareness Quiz
THEME: World Sustainability Day
Convener: Dr. Kirti Miglani
Participation: BBA, BJMC, BCA, MCA
Date: 28/10 /2020
Time: 10:00 AM onwards
Platform: - Google Form

OBJECTIVES OF THE EVENT:

Quiz questions test your knowledge of:

- To increase the interest of students in environmental learning
- To inculcate excitement and knowledge in reference to sustainability
- To sensitize the students about environment and recycle concept .
- To balance our economic, environmental and social needs, allowing prosperity for now and future generations.

REPORT

This event was organized by Eco-Club of Tecnia Institute of Advanced Studies, Rohini, Delhi on 28/10 /2020. Sustainability Day gives the world the opportunity

to become more familiar with the topic and come together to learn what we can do to promote sustainability. In 1969, the National Environmental Policy Act (NEPA) introduced the idea of sustainable development because air quality, water quality, and other environmental problems were a concern for congress at the time.

Awareness Quiz was conducted by Eco-club, 61 students participated from all the respective departments of TIAS on the online platform through Google forms. All the students who participated in the above mentioned event have been distributed E Certificate through their Emails. It was observed that all the participants were keen to engage in such sought of activities. it provides the different opportunities in their interests other than academic routine based activities.

Sustainability Day was created to remind the community of the importance of caring for the environment and the steps to do so. Campuses across the nation are dedicating Sustainability Day to educating students and faculty. By organising sustainability wellness Walks, Planting Trees, Distributing Refillable Coffee Cups, Campus Clean Up.

World sustainability day was created to remind the community of the importance of caring for the environment and the steps to do so. This program aims to include following points people no longer be able to carry plastic water bottles, cups, disposable plates, cutlery, or straws into protected areas including beaches, national parks, conservation areas and forests. This measure follows the 2017 nation-wide ban on single-use plastic bags.

Learning outcome:

- It will help the students to build peaceful society and strong institution of governance.

- It will result in inculcating the culture of reduce-recycle and re-use.
- It will provide a eco-friendly platform to future generations.
- It will create awareness and sensitize the students to adopt healthy and peaceful life style.
- It will lead to support their mental health and stress management.
