5. To make the participants aware about the online ways and how government plays an important source of business development.

WEBINAR

This webinar was intended to train participants with the different opportunities of starting and accelerating the business opportunities and to produce quality results from the new ventures. The key focal point of the workshop was to identify the tools and techniques used by entrepreneurs to uplift business.

The participants have learnt about the type of different modes of funding in detail. In workshop complete online guidance was given by resource person. Workshop has enabled them to analyse and interpret the techniques of growing business and how to make it profitable.

RESOURCE PERSON

MR. PARIKSHIT JAIN

Head of Entrepreneur Cell

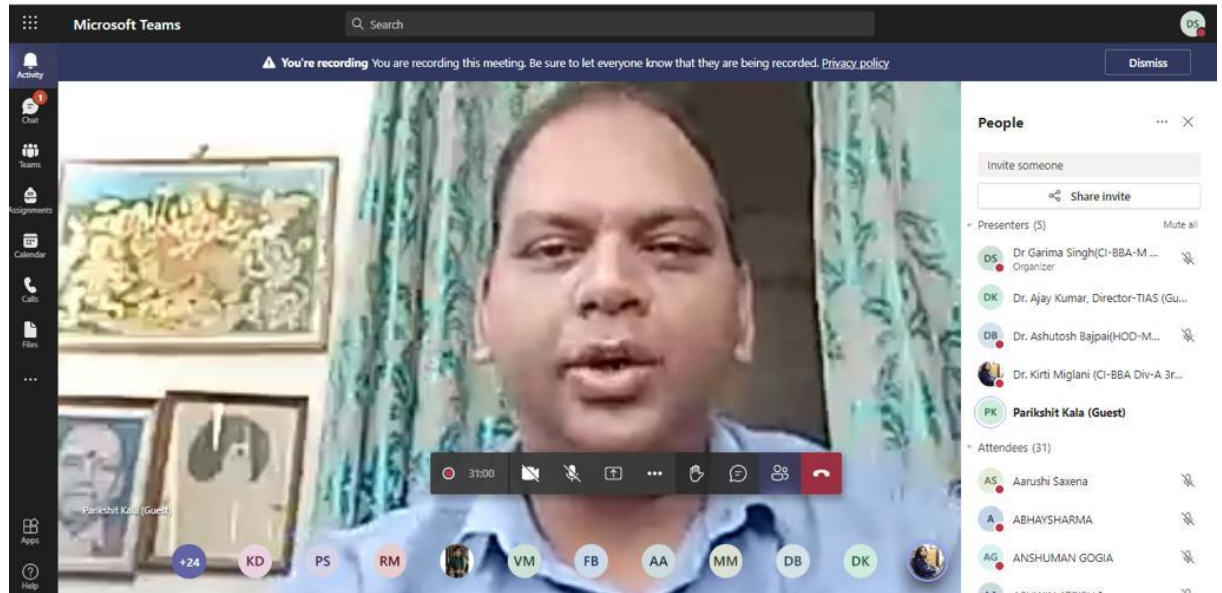

Department of Commerce and Management

Zee University

Dehradun

- Mr. Jain briefed us about the concept of business and its benefits and whether one should start their own business or buy it.
- He further added to imply the thought if one should develop his own business or simply should buy the business.
- He informed us about a developing institute NEISBUD- National Institute for Entrepreneurship and Small Business Development, which is a premier organisation of the Ministry of Skill development and Entrepreneurship.
- This Institute includes training, consultancy, and research in the field of Skill Development of entrepreneurs which help entrepreneurs to grow and understand the skill required to enhance the business.

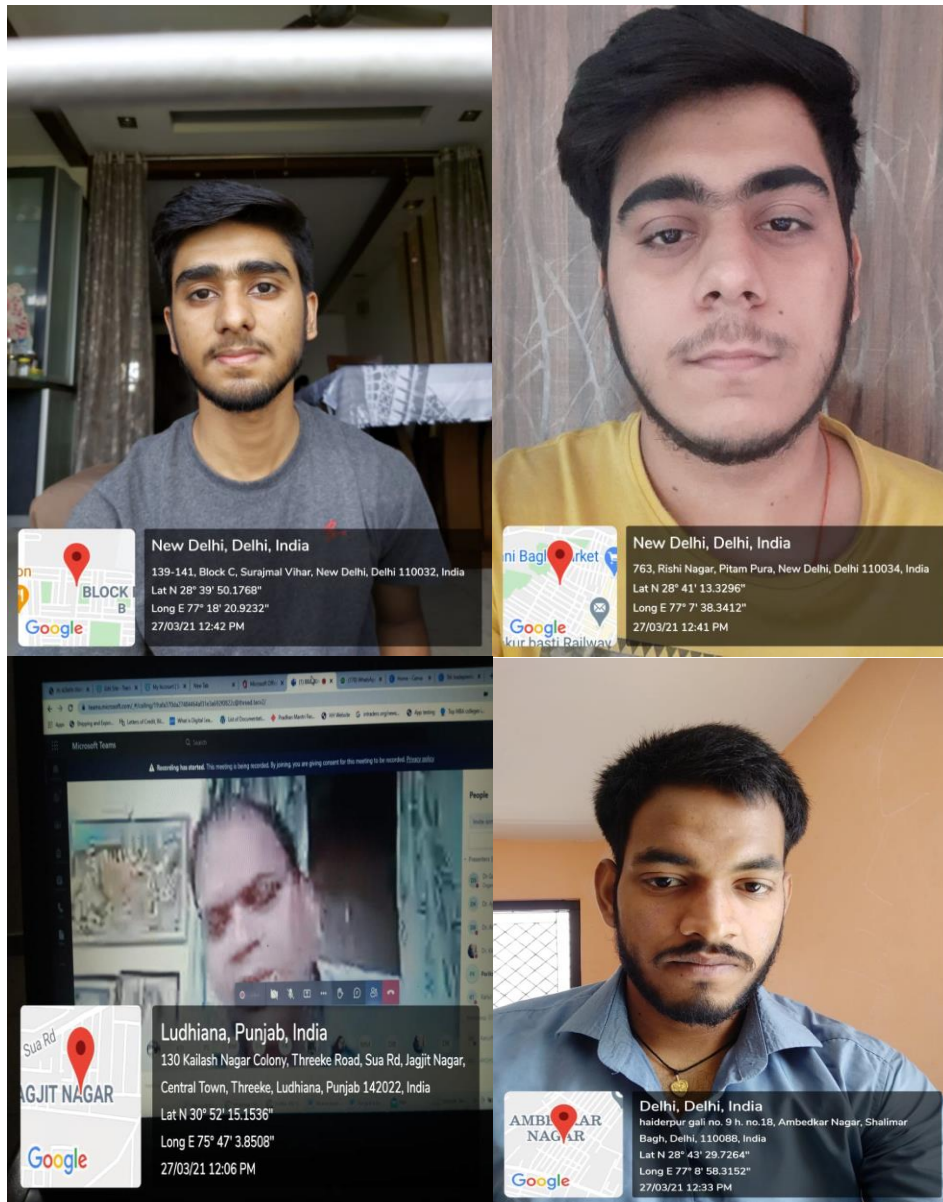

- Mr. Jain also provided the information about MSME- Ministry of Micro, Small and Medium Enterprise divided and helping the youth in two categories:-
 - Investment in plant and machinery
 - Turnover of the enterprise

Speaker elucidating the content of webinar

- Mr. Jain also added to the fact of cost to start our own business and how we can turn our minimum resources into useful upbringing of the profits of business, in turn taking the risk of running has to be taken care of to make it successful.
- He also briefed and about the working of the business models which are divided into six parts:-
 - Element 1— Articulate the value proportion
 - Element 2— Identify the market segment
 - Element 3— Define the structure of value chain required by firm
 - Element 4— Specify the revenue generation mechanism of firm
 - Element 5— Describe the position of firm within value network
 - Element 6— Formulate the competitive strategy
- Mr. Jain further added the different sources of funding the business:-

- Banks
 - Crowd funding
 - Retained Earnings
 - Venture Funding
 - Government Grants
 - Equity and Debts
-
- He added that for a business to work, it needs dedication and capability to bear the risk and undertake it. Also, understanding the concept and the primary function of business plays an important role in the business being successful.

Participants Photos

DR. RASHMI GUJRATI
