Awareness Campaign on Earth Day

OBJECTIVES OF THE EVENT:

- Students will be able to identify things they can do to save our earth.
- Given the list of brainstorming ideas to save our earth, students will be able to list environmental issues into their corresponding category (land, air, or water).
- Students will be able to illustrate something that harms our environment or a solution to that problem.
- Students will be able to categorize litter into paper, plastics, aluminium, glass or other and list ways to recycle these items.
- Students will be able to locate an area at their home that causes high air pollution.
- Students will be able to conduct an interview with their parents about environmental issues.

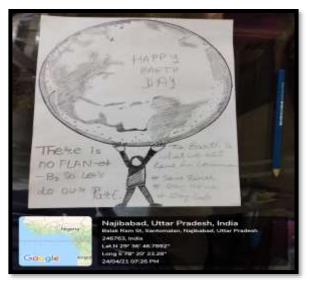

REPORT

Awareness Campaign on Earth Day was organized by Eco Club of Tecnia Institute of Advanced Studies, Rohini, Delhi on 22nd April, 2021. TIAS propagated Eco Club under the aegis of Department of Environment, Government of NCT of Delhi, has been dispensed accountable for edifying the overall Environmental Quality in Delhi NCR which has also been entrusted with the overall environmental assessment, monitoring, protection and awareness among the people of Delhi; Multi- facets methods is being espoused by the Department for Promotion, Conservation and Preservation of Environment.
