# Failure is a Choice

Stop complaining

02

Vincent Thomas (Guest)

VT AS

- You don't become the person you wish to become; you become the person you choose to become. "Failing is inevitable, but becoming a failure is a choice."
- Mr. Vincent further talked about time management:
  - ✓ Time management is the process of planning and exercising conscious control of time spent on specific activities, especially to increase effectiveness, efficiency, and productivity.
  - ✓ It involves a juggling act of various demands upon a person relating to work, social life, family, hobbies, personal interests, and commitments with the finiteness of time

# Time Management

## Make it happen!

- Start your day with a clear focus.
- Have a dynamic task list.
- Focus on high-value activities.
- Minimize interruptions.
- Stop procrastinating.
- Limit multi-tasking.
- Review your day.

03

# Networking

## Find partners

Good networks are built on good relationships, and you can't build your career or business without those. You need people to help you. Fortunately, networking is a set of social skills any smart person can learn.

04

- He further moulded us about the networking----

Network partners are independent, locally led and governed organizations that share a common core purpose, approach, and commitment to the network's core values when working together across borders.

**Speaker session in webinar**

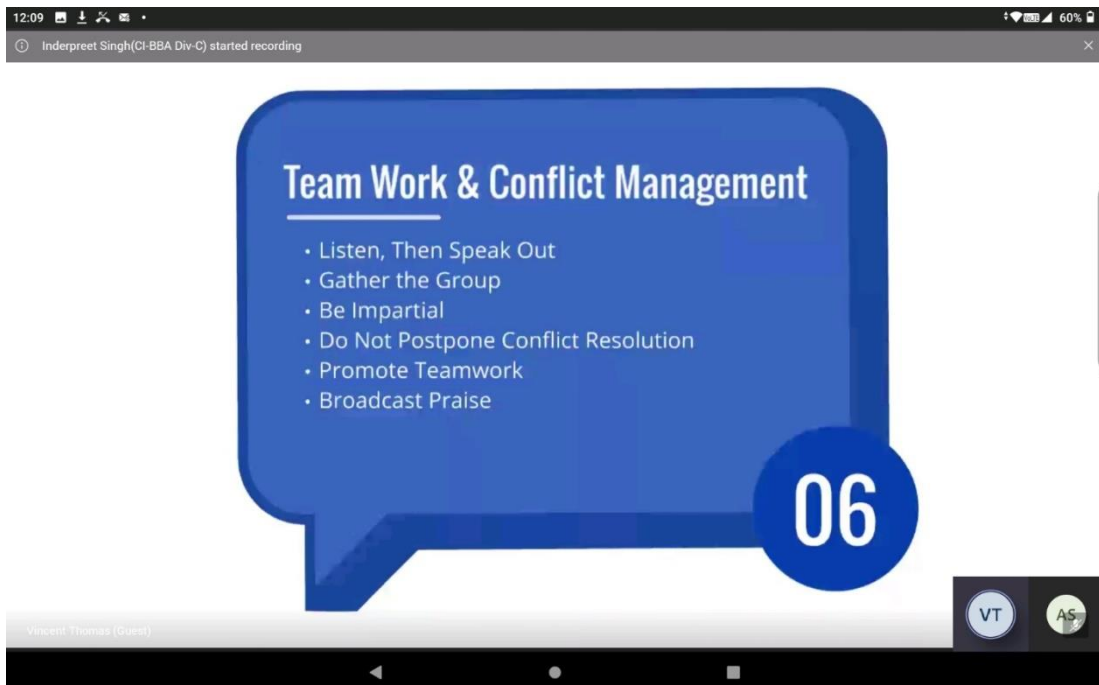

- Mr. Thomas further briefed us about the creative thinking:--
  - ✓ Creative thinking is the ability to consider something in a new way. .

- ✓ Creative thinking includes analysis, open-mindedness, problem-solving, organization, and communication.
