**Ms. Ritu Jain, Associate Professor, School of Creative Business, Pearl Academy**

## Objective

1. To raise the knowledge of the students about positive & negative body language.
2. To make the students understand the importance of effective body language.
3. To make the students aware about the importance of critical thinking.
4. To make the students learn the tips of critical thinking.

## Report:

A webinar on the subject effective body language and critical thinking was organized on 28<sup>th</sup> April 2021 under the ambit of capability enhancement Scheme by Training and Placement Cell, TIAS. The speaker for the session was Ms. Ritu Jain. The speaker spoke about importance of body language as a very important factor during communication as it is the most influential nonverbal communication signals which one takes and gives around every day. She insisted that it reveals how one is truly feeling when perhaps words don't, and that important consideration is that most of the time its unconscious. She further emphasized that there are some tools that can help the individual to interpret it and use it is one's advantage. She discussed about the good & bad body gestures/ postures during in an interview like sitting posture, eye contact, arms & legs positioning. She gave tips on projecting positive body language to make students understand the significance of positive body language since it projects self-confidence and openness. She discussed about 'Power Pose' that has huge impact when a person follows during public speaking. She also spoke at length for virtual body language. She makes students realize about culture variation.

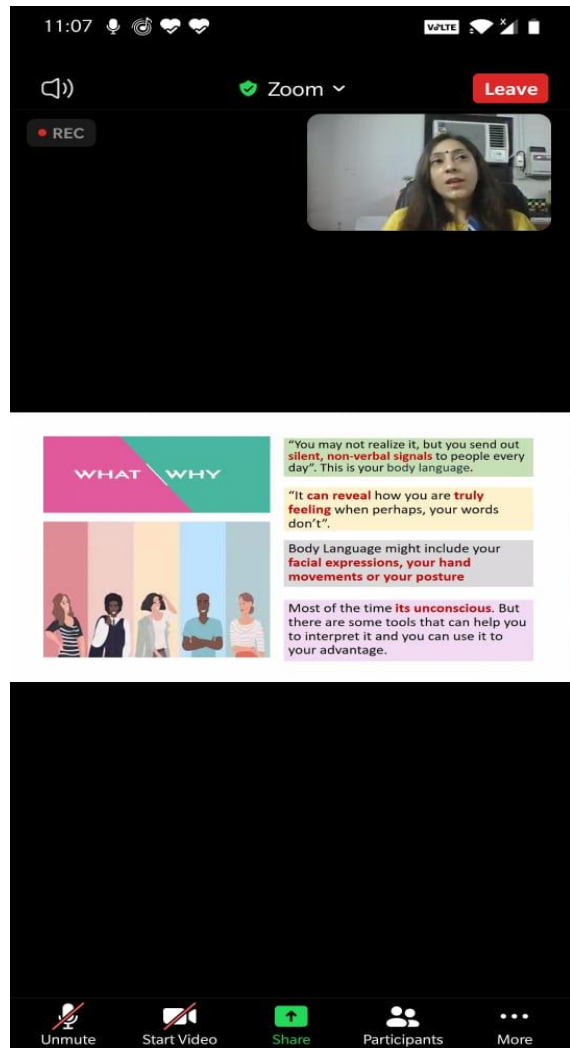

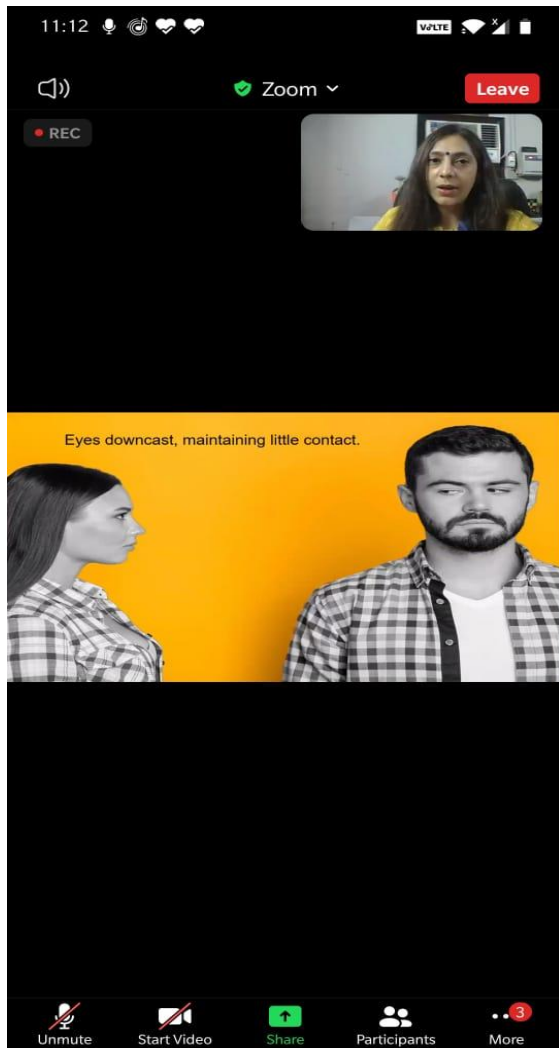

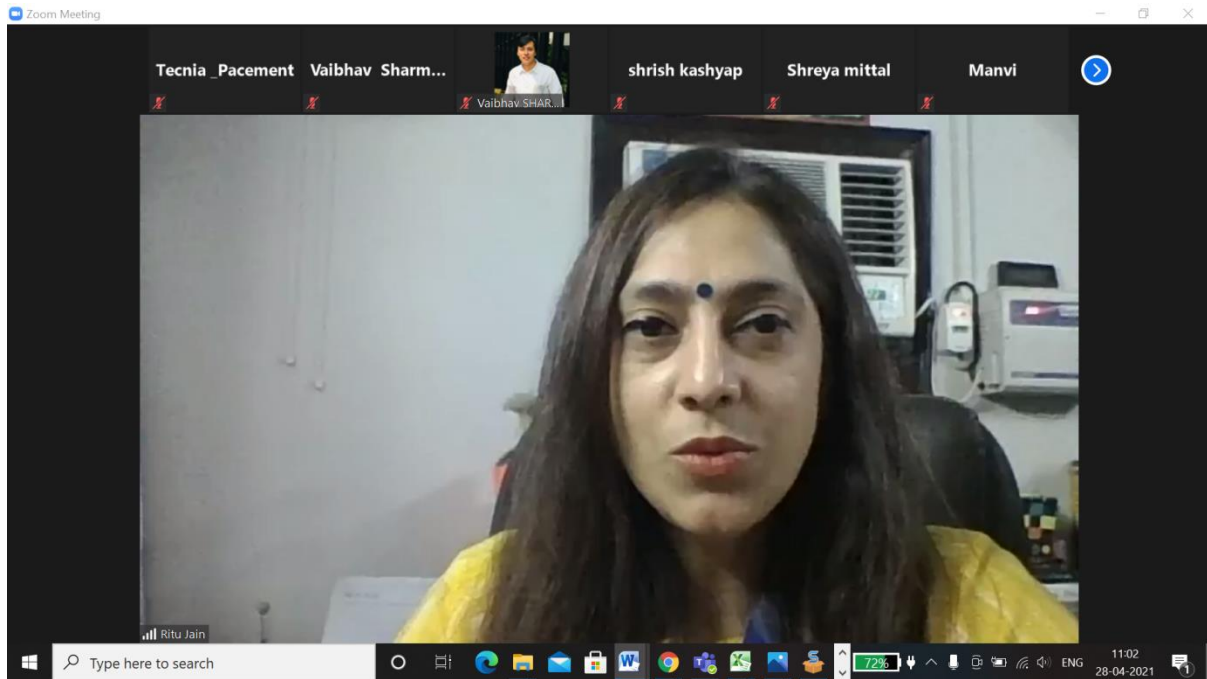

In the next part during the session, she discussed about the importance of critical thinking and the ways to develop it. She discussed about its importance and the process of it. She emphasized that higher order thinking skills makes on more confident about his or her opinions & conclusions. She made students aware about the recruitment drives intend to filter out the ones who have the ability to critically think on a situation.

The session was well coordinated by the Faculty Placement Coordinator Mr. Mayank Arora. A total of 322 students of various courses participated in the webinar. Earlier, Dr. Nivedita welcomed the speaker and introduced to her to the students. The session was very interactive and the students were kept engaged throughout the session. They raised relevant question & the speaker responded well. At the end of the session Dr. Nivedita thanked the speaker Ms. Ritu Jain and Mr. Vaibhav Sharma, Pearl Academy for arranging and conducting the wonderful session followed collection of feedback against the projected learning outcomes & objective and a general feedback for the webinar, which was later analysed.

## Learning outcomes:

1. Students' knowledge about positive & negative body language is raised.
2. Students' understanding about the importance of effective body language is enhanced.
3. Students' awareness about the importance of critical thinking is enhanced
4. Students learn the tips of critical thinking.
