### Resource Person:

Ms. Anjali Kaushik, Project Manager, LG Electronics

### Objective:

- To evaluate the speaking power, thinking skills and listening abilities of students
- To make students learn how to control the conversation through listening attentively and then having the perseverance to mould it towards his/her own direction
- To develop their skills in interpersonal communication and in expressing their views in a clear and succinct manner.
- To broaden the outlook of the participants through exposure to new and different experiences and ideas and enrich their understanding of the issues under discussion.

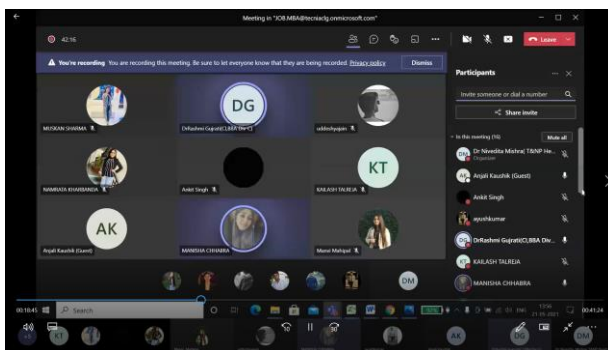

## Report:

A Group Discussion session was organized for MBA 1<sup>st</sup> year students on 21<sup>st</sup> May'21 by Training and Placement Cell, TIAS under the ambit of Capability Enhancement Scheme. The purpose of organizing the session was to prepare the students for their placements. It was aimed at a structured but informal exchange of knowledge, ideas, and perceptions among the participants on the topic “Impact of COVID-19 on Global Economy”. Contributions were pooled together and examined in terms of their relevance and validity to the discussion objectives. It opened avenues to learn more as students came across new facts on the topic. It was a one-hour session. Ms. Anjali Kaushik an alumna of the batch MBA, 2017-19 presently working as Project Manager, LG Electronics held the group discussion of a total 09 students. At the end, Ms. Anjali provided a constructive feedback of students which helped them to identify their short-comings and weaknesses. She also shared her experience of interview for LG Electronics and her journey from a hesitant girl to finally getting selected to a prestigious company. The one-hour session was coordinated by Ms. Shilpa Bhandari. Earlier Dr. Nivedita welcomed Ms. Anjali Kaushik and introduced her to the students. Later Ms. Shilpa Bhandari compiled the evaluation. Students gave vry positive feedback and requested to arrange more such session.

## Learning Outcome:

- Students' got a feel and process of real Group Discussion.
- Students learnt to communicate and express their thoughts in a persuasive manner
- Students learnt the tips of group Discussion
- Students got awareness about their strength and weakness.
- Students' listening and comprehending skills were enhanced.
- Students' confidence level increased.

Rishi Patiyal	01717003920	2	3	3	3	3	Need to work on overall skills

**Recommendations, if any**

Students were responsive after an initial hesitation. They need to focus more on current and general awareness and should improve the leadership quality. They should learn to remain focussed on the subject of the discussion.
