FEEDBACK OF THE STUDENTS:

An effort was made to receive feedback from all students who have attended the Workshop. For this purpose, a Google form was created and sent to students. Total 65 responses have been received from students. In order to arrive to comprehensive results, useful statistical tools like percentage, etc. have been used. For the effective presentation of the data, various types of graphs have been used.

STUDENT FEEDBACK

1. STUDENT PROFILE:

CHART 1: COURSE - WISE CLASSIFICATION

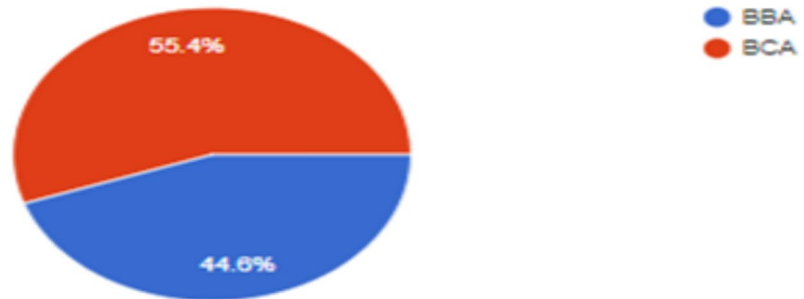

Chart-1 depicts the course-wise classification of student respondents. It was noticed that, total 65 responses were collected from the student, out of which 55.4% were from BCA Department and 44.6% were from BBA department.

CHART 2: CLASS - WISE CLASSIFICATION

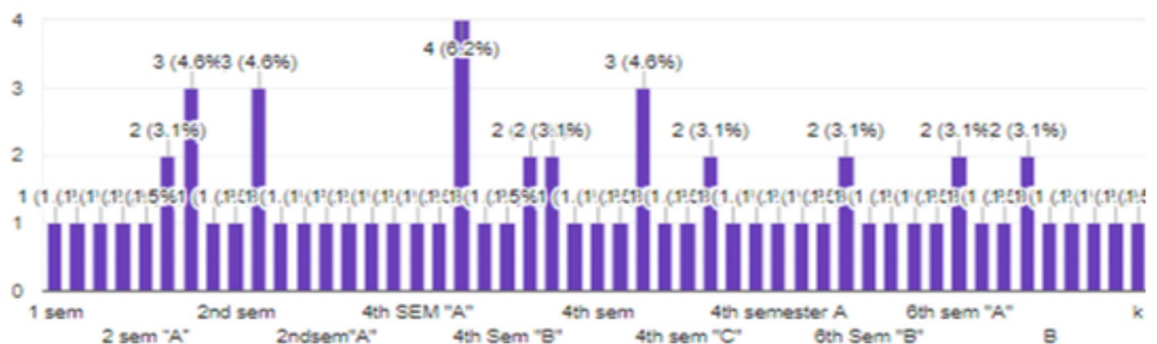

Chart-2 depicts the class-wise classification of student respondents. It was noticed that, total 65 responses were collected from the student, out of which most of the students were from 4th Semester "A" Section.

CHART 3: CLASS SHIFT

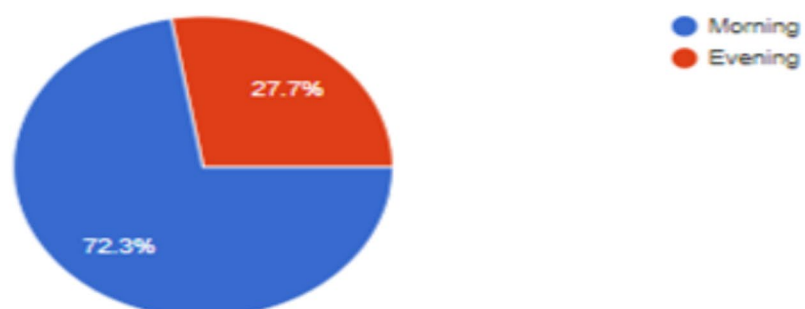

Chart-3 depicts the class shift of student respondents. It was noticed that, total 65 responses were collected from the student, out of 72.3% were from Morning Shift and 27.7% were from Evening Shift.

2. STUDENT FEEDBACK ON WORKSHOP

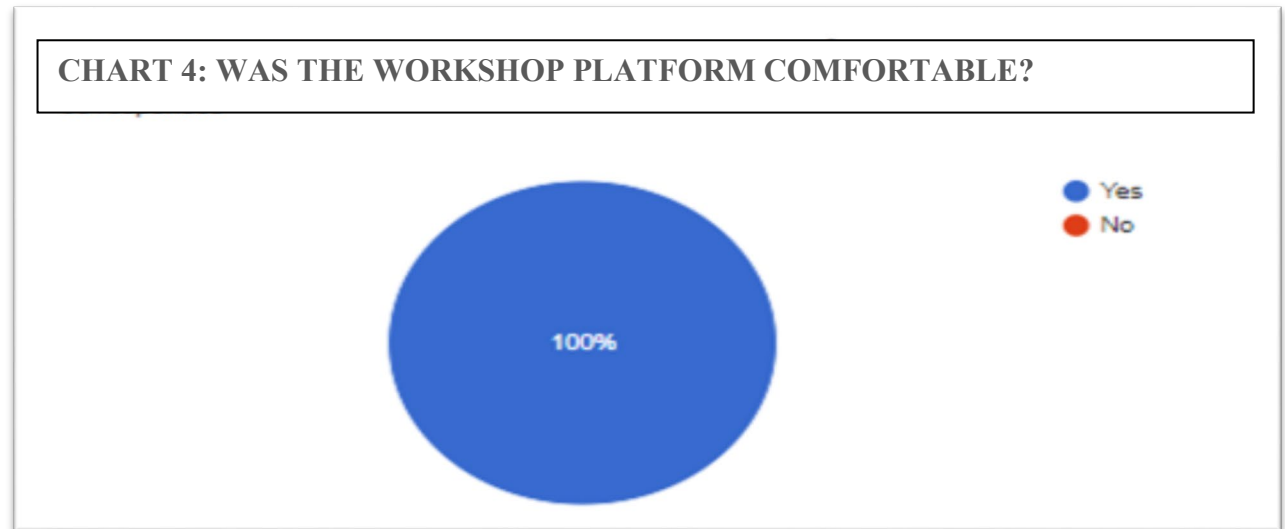

Chart-4 depicts the workshop platform comfortable of student respondents. It was noticed that, total 65 responses were collected from the students and 100% students were completely satisfied.
