In-Charge NSS Club

OBJECTIVES OF THE EVENT:

- To create awareness and spread the message of saving our planet- 'Protecting our environment is the need of the hour.'
- To help nature and mother earth to get its natural beauty and components back.
- To help students understand and remain committed towards cleanliness and devote time for the same.
- To inspire students for providing these services to society.

REPORT

A plantation drive was organized by Tecnia Institute of Advanced Studies, Rohini area of Delhi on 10th August 2021. Ms. Sania Kukkar organized a meeting on 10th August, 2021. The meeting started with the introduction of Plantation Drive, Cleanliness Drive. John Keats once said “The poetry of the earth is never dead”, students of Tecnia Institute of advanced studies inculcate this perspective and in order to save earth from global warming and human deeds like afforestation students planted trees in their campus area and the surroundings.

Students brought different types of saplings and planted. Plants are an important part of nature and for survival also. The ability of plants to control pollution and rejuvenate nature teaches us to plant more trees. Dr. Kirti Miglani, convener of the event said “We get oxygen and other components from nature which are necessary to survive so we should celebrate and thank mother earth and nature to give us so many things, it’s our duty to at least plant trees in return and maintain sustainable development for the upcoming generations and also discussed about rules and regulations related to an event.

The special invitees of this event were Dr. Ajay Kumar (Director TIAS), Dr. Sonam (Incharge Students Welfare) and all the Departmental Heads with the respective faculty members of TIAS. He told about the importance of cleanliness and motivated students to participate in various activities related to Plantation and Cleanliness.

Certificates by Participants Swachhta Phakwada 2021

The students were addressed by Director on Swachhta Phakwada and discuss about the importance of cleanliness in nearby areas. The teachers also shared various ideas with students regarding cleanliness and ways of plantation in their locality.

Oath taking ceremony by students

The Students and Staff members also took Pledge on Swachhta. And there by ensuring cleanliness in nearby areas. The meeting ended with the closing note shared by Ms. Sania Kukkar and she told that our government has taken a step “Swachh bharat Abhiyan” and so as a citizen we should give it the top priority .

Learning Outcome

- Students have learnt about proper maintenance and preservation of trees together with other vegetation.
- Students have learnt about uplifting the quality of the living environment through active planting and afforestation.
- Students have learnt about to segregate the waste in two dustbins, wet waste and dry waste as contribution to Swachh Bharat Mission.
