Date: 16.03.19
Venue: Room No. 1109, PG Building, TIAS
Timing: 10:00 am- 12:00 pm

OBJECTIVES OF THE EVENT:

- To help students understand the climate and environment education through creativity
- To develop the positive attitude towards the environment
- To provide student with a platform in order to show case their talent
- To give students a practical exposure, in how to organize an event.

Tecnia Institute of Advanced Studies organized Poster Making Competition on "Green Holi" on 16.03.19. In order to promote the thought to educate the masses about climate and environment issues. The competition helped youth to express their views and thoughts about various environment issues and remedies to eradicate. The posters made by students described the effect of harmful chemical used in Holi colours etc. In this competition, total twelve teams have participated. The winners were awarded with certificates of achievement as token of love. The event concluded with a happening and cheerful remark. It was a tough competition amongst different department. The event was a big success in less time and limited resources.
