Ban of Plastic Use in Campus**

OBJECTIVES OF THE EVENT:

- To create awareness and spread the message: 'Protecting our environment is the need of the hour.'
- To help nature and Mother Earth to get its natural beauty and components back.
- To carry out awareness drive and sensitizing public at large on the harmful impacts of single use of plastic.
- To avoid use of plastic bags, clipboards, lunch boxes etc.
- To encourage use of eco-friendly disposables, jute bags, copper /steel bottles etc.

REPORT

A Workshop was organized by Eco Club of Tecnia Institute of Advanced Studies, Rohini, Delhi on 2nd September, 2019. TIAS propagated Eco Club under the aegis of Department of Environment, Government of NCT of Delhi, has been dispensed accountable for edifying the overall Environmental Quality in Delhi NCR which has also been entrusted with the overall environmental assessment, monitoring, protection and awareness among the people of Delhi; multi-facets methods is being espoused by the Department for Promotion, Conservation and Preservation of Environment.

Institute's Eco Clubs plays an important role in creating environmental awareness amongst the future generation. It's a platform on which one gets the knowledge about environment. ECO CLUB works to contribute in improving environmental conditions. Tecnia Institute of Advanced Studies actively encourages students to reduce plastic use in the campus. It is a medium through which students can reach out to influence, engage the community to promote green environmental behaviour. The club sensitizes the students to discover new environmental issues and the actions required to mitigate them.

Speaker (Dr. Pawan Kumar) addressing the students – “Plastic Free Life-Green Campus”

The session was initiated by Dr. Pawan Kumar in Multipurpose Hall, PG building, TIAS. 155 students of BBA, BA(JMC), MBA, BCA and MCA attended the session with full zeal. The session was to make the students aware about harmful effects of plastic use and its ill effects on our life. Awareness was spread to the masses regarding plastic free life in the campus and suggesting usage of alternate means like jute bags, copper bottles, eco-friendly files and folders, eco-friendly food boxes etc.

Dr. Pawan Kumar motivated the students to carry out similar campaigns at community level. He sensitizes the students about the harmful effects of single use plastics. Usage of Plastics should be stopped in canteens, shopping complexes in the institution premises and hostel .And awareness was spread to

put a ban on non-biodegradable plastic items in the institution. Various ideas were given to carry out plastic free life in the campus so the plastic free life can be made. More and more alternative solutions like cloth bags , covers need to be made.

Awareness campaign initiated by Eco-club volunteers in Classes

The Eco club functions under faculty in charge –Ms. Kirti Miglani, Assistant Professor- BBA along with a group of volunteers from students to take initiative and campaigns on the environmental issues and to take the appropriate actions to improve the environment.

Eco Club provides an opportunity to help create Awareness, build Attitudes and enable students to take up activities and sensitivity among individuals and social groups to the total environment and its allied problems; and to Impart

knowledge to help individuals and social groups gain a variety of experiences in and acquire a basic understanding of the environment.

Eco Club member spread the information among the students about harmful effects of plastic. Focus on usage of Plastic free life was spread.

**Students spreading awareness
among faculty members to Ban Use
of Plastic**

**Valedictory session by BBA (HOD)
Dr. Neerav Verma**

In last BBA HOD Dr. Neerav Verma addressed the students of BBA, MBA BAJMC ,BCA and encourage them to avoid use of plastic and the encourage plastic free lifestyle in the campus so that healthy life can be made.

Learning outcome

- ❖ Students were encouraged for proper maintenance and preservation of environment.
- ❖ Students were made aware to uplift the quality of the living environment through Ban Plastic Use.
- ❖ This event set an inspiring example for the coming generations to save environment and encourage Plastic Free Life in the campus.
