Dear Sir/Madam,

Greeting form All India Council for Technical Education !!!!!

In Continuation to our earlier email with subject line "AISHE Code Entry on AICTE Portal on (or) before 15th August 2020 - Compulsory for the Students of AICTE Approved Institutes to avail Scholarship through NSP Portal" your Institution is requested to fill the google form available @ <https://forms.gle/KfnjzqH6dc8s8aFb9> instead of entering the data directly on AICTE Web Portal. Please NOTE that the filling of Google Form in connection with AISHE Code Entry should be completed on or before 12-08-2020 by 5:00 PM Positively.

Note : Since on AISHE Portal, 2020-21 year data is yet to be filled by the Institutes, accordingly, it is decided to allow the Institution to enter AISHE Code in 2020-21 Application, only after Institutes complete their data filling on AISHE portal for 2020-21.

With Regards
AICTE
