Dear Madam/ Sir,

India is unique nation, whose fabric has been woven by diverse linguistic, cultural and religious threads, held together into a composite national identity by a rich history of cultural evolution, coupled with a rousing freedom struggle that was built around the tenets of non-violence and justice. The spirit of mutual understanding amidst a shared history has enabled a special unity in diversity, which stands out as a tall flame of nationhood that needs to be nourished and cherished into the future.

With a view to foster national integration by a coordinated mutual engagement process between States, Union Territories, Central Ministries, Educational Institutions and general public through linguistic, literary, cultural, sports, tourism and other forms of people-to-people exchanges, the Government of India has launched an initiative Ek Bharat Shrestha Bharat (EBSB).

All the 36 States/ UTs in India have been paired for an entire year and mandated to sign MoUs with each other, delineating a set of activities that they would carry out together through the year. Such interaction between deferent segments of the the population of each pair of States/ UTs at the cultural level, would generate the vibrancy of understanding & appreciation amongst the people and forge mutual bonding, thus securing an enriched value system of unity in the nation. Detailed background of the scheme, its objectives, implementation strategy/ methodology and the pairing of the States/ Union Territories are available in [www.ekbharat.gov.in](http://www.ekbharat.gov.in)

It has been decided by Government of India to intensify the EBSB by spreading it to all the higher education institutions in the country, including all AICTE, regulated colleges. A plan of action has been worked out (Annexure-I) and accordingly, your institution is now required to

- a) Prepare a date-wise action plan covering all activities (As per Annexure-II)
- b) Identify a Nodal Officer for this activity

We request you to accord highest priority to the action sought and maintain a record of activities under EBSB for sharing with AICTE whenever asked for

### Programme of action for EBSB :-

#### 1. Student exchanges:

Every year, at least (50) students of a HEI in one State will travel and spend 10 days in the paired institution of the paired State. (The pairing of States would be intimated in due course). The purpose would be to learn the language, culture, living styles, festivals, social customs, food habits and such other aspects of the social and cultural affairs of the paired State. The contingent would be led by one or more teachers who will be responsible for the proper organisation of the visit and also for the safety of the students.

The organisation of the student exchange would be done in the following manner:-

- a) Identification of the contingent: Students in each institution may be invited to participate in a competition, such as a quiz regarding paired State. Such students who have exhibited minimum knowledge and understanding of the paired State should be selected.
- b) Conduct of the visit:- The visit will be done in accordance with the dates agreed with the paired institution. Since Indian Railways is expected to give concession for the movement of students under EBSB, it is advised to use the Railways for movement of students to the extent possible. The visiting students would be housed in the hostels of the paired institution. Suitable facilities should be provided by the paired institution for this purpose. The contingent will not only interact with the local students, but would also fan out to visit historical sites, villages around the institution and would learn the language of the paired State. They would also learn the dance and customs of the paired State. Each

of the learning process should be properly documented through photos, videos, write-ups etc.

c) Preparing reports: Each member of the visiting contingents is expected to focus on one aspect of the culture of the State which has been visited; and prepare a small write-up along with photographs within 30 days from the date of return from the visit.

d) Dissemination: The report so prepared would be printed and should be shared using social media accounts like Facebook and Twitter, duly tagging the social media accounts of the Ministry, and EBSB. Apart from above, they will share the findings of the visit with the larger audience in the college.

The cost of the student visit should be locally managed by the institution.
