<b>Timing</b>	:	11:00 AM
<b>Platform</b>	:	Tias Campus, Delhi
<b>No of Participants:</b>		20

Society is an integral part of the surrounding Environment and the solution to many environmental problems lies in our attitude towards environment. The best way to bring about a change in this attitude in society is through youth. Here comes the role of Eco Club formulated at our Institute, which plays a very important role in creating environmental awareness amongst the future generations.

### **The Eco Club intends to achieve its following objective;**

- To create the awareness through campaigns on Anti-Fire Cracker and other Environment issues.
- To create the awareness that air and noise pollution affects the health of all living beings.
- To appraise about the Hazardous consequences of bursting crackers.
- To create the awareness about Environmental Health Effects -Hazardous & Toxic Nature of Ingredients Used in Firecrackers

Diwali is a festival of lights celebrated to dispel darkness and bask in the warmth of the live of our near and dear ones. But with the anomalies happening in every phase of life our Diwali has also transformed into a festival of smoke, ear piercing sound which leads to Pandora's Box of diseases, pollution and chaos. To fight these problems and spreading awareness about the same, the Eco Club Members and Students of TIAS participated in the Anti-cracker Campaign in which they organized a Nukkad-Natak on **“NO USE OF FIRECRACKERS”** in the College premises on **16th October 2017 at 11 AM**, and spreading the message of a Green Diwali and to make people aware of the hazardous consequences of bursting crackers.

The Nukkad Natak had a positive impact on the people and they showed a keen interest in the wonderful performance of our students. The Students team comprised of following members:-

**Students Performed in Nukkad-Natak (Anti Cracker Campaign)**

### **Learning Outcome:**

- Awareness about the air and noise pollution affects the health of all living beings.
- Developed the positive attitude towards the environment
- Developed eco friendly attitude amongst various sections of the society.
- Awareness about Environmental Health Effects -Hazardous & Toxic Nature of Ingredients Used in Firecrackers

**TIAS Eco Club has a great vision ahead and its prime focus is on how to keep the environment free from pollution and sustainable use of natural resources.**
