Report:

A webinar on the subject '**Develop Authenticity**' was organized on 16th July 2021 for students of BBA, BCA and MBA programme by Training and Placement Cell under the ambit of Capacity Enhancement Scheme. The resource person for the webinar was Ms. Neha Mathur, Image Consultant and Soft Skill Trainer. The webinar was attended by 98 .

The purpose of the webinar was to make students introspect and develop a confident positive self and image which would result in an influential persona. The speaker Ms. Neha Mathur told the students that authenticity is one of the foundations of success. Being authentic means being honest and genuine, this in turn creates trust and accountability. She informed the students that Authenticity means you're true to your own personality, values, and spirit, regardless of the pressure that you're under to act otherwise. You're honest with yourself and with others, and you take responsibility for your mistakes. Authenticity entails an emotional equation of summation of confidence, self-awareness, transparency and consistency. She informed the students the steps to Develop authenticity as, first Engaging one Authentic Self where one should accept oneself as everyone has valid thoughts and ideas, and one should act on personal beliefs and values, putting time into personal growth; second behaving authentically by being fully present in whatever circumstances you

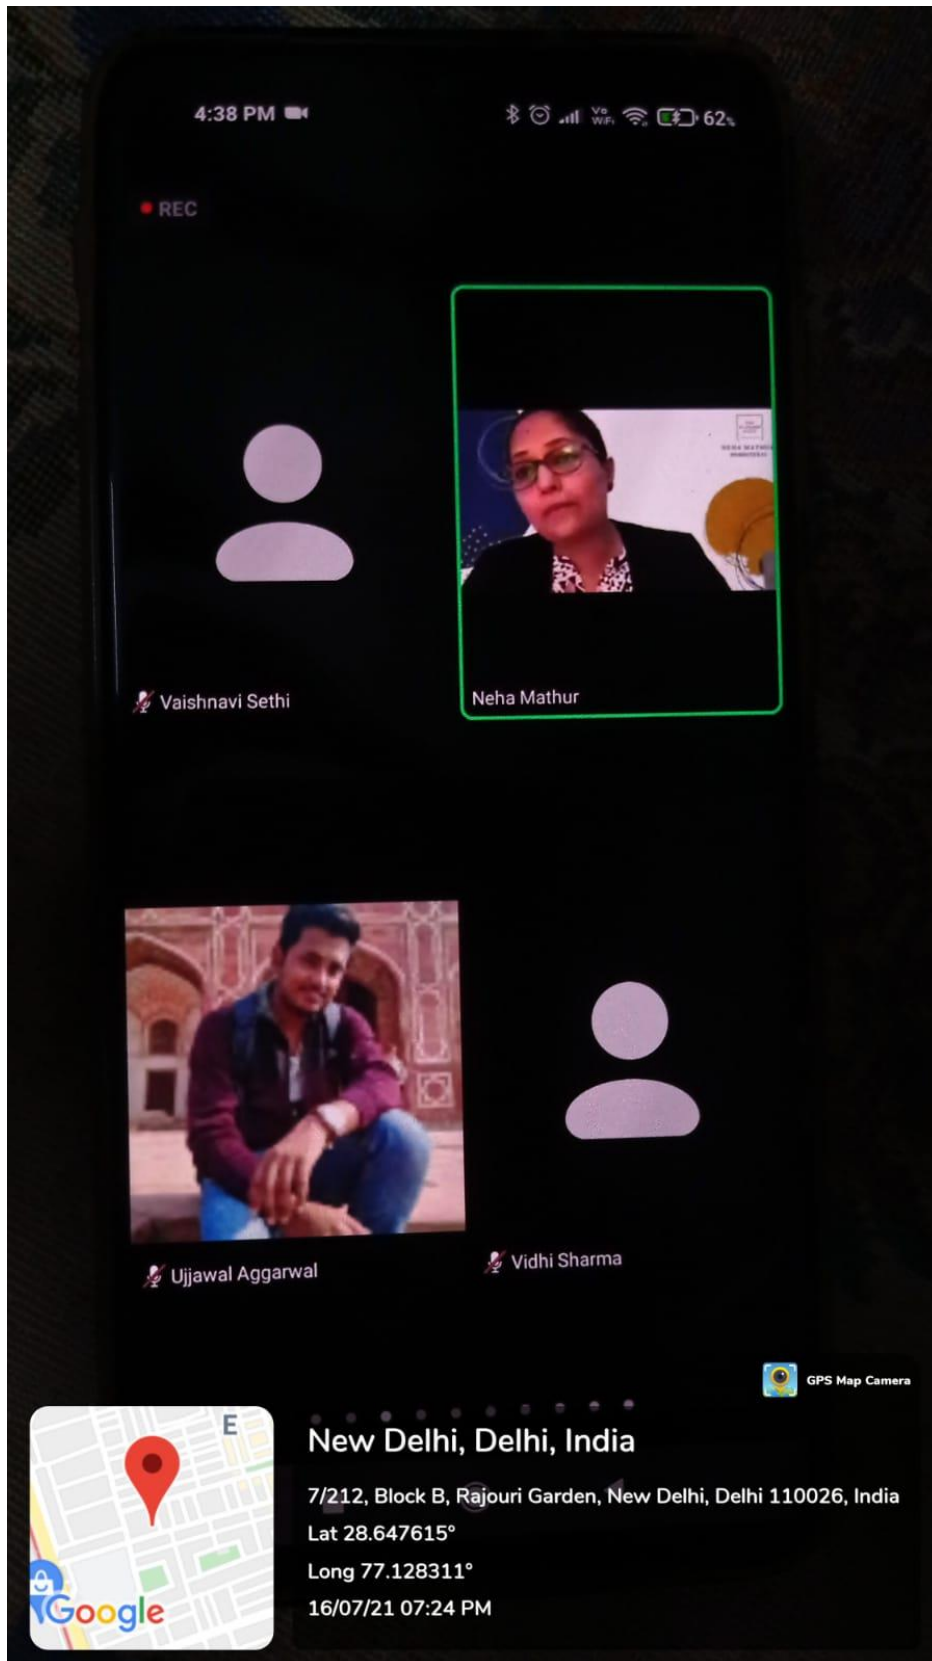

find yourself, trusting your intuition when it comes to behaviour and relationships, expressing your thoughts and feelings, asking people for help when you need it, and third by treating other people with authenticity by not putting a different face or personality for social functions, By being truthful and by maintaining long-term relationships.

The students were very keen and showed their interest while attempting the questions. The students raised their doubts which were resolved by the resource person. The session was well coordinated by Ms. Shilpa Bahndari and Mr. Rahul Tripathi, Assistant Professor, and Department of Management Sciences and Mr. Deepak Sharma, Assistant Professor, and Department of Computer Sciences was well conceived by the students. Earlier in the session, Dr. Nivedita, Head Training and Placement, welcomed the guest and told the students about the importance of the session. Lastly feedback was taken and analysed.

Learning Outcome:
