- To improve their body language at the time of interview.

REPORT:

Employability Index Test through interview was organized for BBA final year students from 19th May’21 to 22nd May 2021, by TIAS who are willing to do jobs in different fields as per their ability and choice after completion of their BBA program. The purpose of organizing the session was to prepare the students for their placements. The evaluation was done on their subject knowledge and soft skills. The subject knowledge included theoretical knowledge, its practical application and latest development in the relevant area. The soft skills judged were their communication skill, body language, profile fitment, introduction skill and confidence.

Mock interviews are simply practice sessions to teach students about the look, sound, and feel of actual interviews. Mock interview provides an opportunity to students actually practicing going through an interview, answering and asking questions, and hopefully learning about the rhythm and possible interview questions they will face in real life. Mr. Rahul Tripathi, Assistant Professor, Department of management Sciences and FPC, BBA took the mock interviews of a total of 31 students and asked questions related to their field of study and evaluated on various parameters. At the end he concluded with area of improvement as his recommendation. The entire session was coordinated by Mr. Rahul Tripathi.

LEARNING OUTCOME:

- Students' were evaluated for their employability skills
- Students' got tips to increase their employability skills.
- Students' confidence level increased.
- Students were aware about their shortcomings, so that they can improve it
- Student's interview strategy was enhanced.

Recommendations, if any-At the level of BBA, the confidence level of students are very good but they need to develop professional approach at the time of appearing in interview. They need to work upon their body language and subject knowledge of their respective field.
