- To make students understand what skills and capabilities are required to get internship or placement opportunities in renowned companies
- To guide students aware about the reachability to such industries/companies

Report:

An interactive session on industries/companies as per the specialization of students was organized by Training and Placement Cell of Tecnia Institute of Advanced Studies on 25.01.21 under guidance of Director sir- Dr. Ajay Kumar and Head Training & Placement Cell- Dr. Nivedita.

It is important to make students understand the suitable industries/companies that exist in the market as per their specialised field. In the light of making students aware, Dr. Nivedita discussed with students regarding the specialised skills and abilities required to reach out to such companies. She discussed the importance of company/industry mapping in terms of getting a suitable job for themselves. Ms. Shilpa Bhandari engaged students by discussing with them about their specialization field and interest area. The students were well- guided about how to reach out the suitable companies and tips to enhance their skills as per the market requirement.

The student's doubts were solved by Dr. Nivedita. The session was interactive & very fruitful in enhancing the skills of the students in company/industry mapping and this will definitely benefit them a lot in future. The Training & Placement Cell will continue to work in this direction & lead student towards a brighter and successful future.

Learning outcomes:

- The session helped the students in learning effective ways of company/industry mapping
- It helped students understand the skills and abilities required to get a suitable job in renowned companies as per the specialised fields.
- Students were able to discuss their interest areas and related queries.
- It may help students secure a challenging position in a reputed organisation as per their interest areas.
