- To encourage students to enhance their skills and abilities so as to achieve the desired result.

Report:

An interactive session regarding interest area was organized by Training and Placement Cell of Tecnia Institute of Advanced Studies on 08.03.21 under guidance of Director sir- Dr. Ajay Kumar and Head Training & Placement Cell- Dr. Nivedita.

It is important for every training and placement cell to understand the student's interest area in order to provide them a good job opportunity. The common career interest areas of students are: Technology, Banking & Financial Services, Human Resources, Consulting, Entrepreneurship, Healthcare Management, Marketing, Data Analyst and Artificial Intelligence. There were 07 students in the class and everybody shared their views on potential career interest areas.

Ms. Shilpa Bhandari guided the students on what skills are required for respective career interest areas. She shared the tips on how to achieve the desired job by enhancing the essential skills and abilities. The students have made a sample at that time and they were told the corrections in the same. Their doubts were beautifully solved by Dr. Nivedita. The session was interactive & very fruitful in enhancing the skills of the students in resume building and

this will definitely benefit them a lot in future. The Training & Placement Cell will continue to work in this direction & lead student towards a brighter and successful future.

Learning outcomes:

- The session helped the students in learning skills and abilities required to attain the desired job
- It helped students to get an insight on potential career interest.
- It helped students secured a challenging position in a reputed organisation by highlighting their skills, knowledge and abilities for desirable job.
