- To help students gain confidence, self- esteem and positive impact on their communication skills
- 

### **Report:**

A session was conducted to check the personality of the students. It was organized by Training and Placement Cell of Tecnia Institute of Advanced Studies on 15.02.21 under guidance of Director sir- Dr. Ajay Kumar and Head Training & Placement Cell- Dr. Nivedita. The Aug personality test was conducted online that may help the students to identify their ideal profession. AUG Personality test is based on RIASEC, psychologist John Holland's model of career choice to help students understand what can be a potentially ideal profession. The purpose of conducting the personality test was to understand the interests, talents and aptitude so as to determine what job would suit them.

The session was interactive & very fruitful in enhancing the skills of the students in resume building and this will definitely benefit them a lot in future. The Training & Placement Cell will continue to work in this direction & lead student towards a brighter and successful future.

**Learning outcomes:**

- The session helped the students in learning new and latest formats for CV writing
- It helped students understand the different tools and formats for resume writing
- Students were able to prepare their CV effectively
- It helped students secured a challenging position in a reputed organisation by highlighting their skills, knowledge and abilities in CV.

## Congratulations!

Your personality test result is **Investigative - Artistic!**

You are proud to be a 'know-it-all'. You have profound insights which most don't have. Ordinary activities are not worth your while – you want to be intellectually challenged. "What's with the rules? Let's make a change!" "Old-fashioned" is never in your dictionary. You are original and creative. Isn't it a beautiful thing to make impossible possible?

# AUG Personality Test

Congratulations!

Your personality test result is **Realistic - Conventional!**

When it comes to physical activities, you are confident and well-coordinated. Socialising is not your thing. Rather, you'd spend time with real-life objects such as tools, machines, plants or animals. No matter how messy things are, you always find a way to clean. In a group, you are the one who remembers the instructions and keeps excellent records.
