Dear Sir,

Through this email I am sharing with you information related to a new initiative launched by EEA group at TERI. I seek your help and guidance in reaching out to colleges/ universities in Tamil Nadu, Karnataka, Maharashtra and Delhi NCR.

This is a prestigious programme and we are happy that students will get an opportunity to know more about the environment through hands-on experience.

We can meet and discuss more details about this. Meanwhile may I please request you to circulate this information to your valuable contacts and keep us in loop.

Look forward,

With sincere regards  
Livleen

Education New Zealand (ENZ) and The Energy and Resources Institute(TERI) are proud to announce the 'New Zealand- India Sustainability Challenge' (#NZISC)- first ever competition connecting students from India and New Zealand. The winning team will get an opportunity to exhibit their innovative thinking and a chance to intern(fully sponsored) in New Zealand for 3 weeks.

This competition seeks to encourage scalable, sustainable solutions for environmental and societal challenges which will inspire the next generation of young leaders. The participants must be undergraduate students (between 18-22 years) from recognized colleges/ universities and institutes in Tamil Nadu, Karnataka, Maharashtra and Delhi NCR comprising of two students and a faculty member as a team. The team will need to identify problems in or around their campus and design appropriate solutions through use of innovative cutting edge sustainable practices.

We are very excited about the competition and are hoping to get some fantastic entries!! We would request you to circulate the information about the competition amongst the students and encourage them to participate in this distinctive youth programme.

We are attaching an official invitation letter and a publicity poster with this mail. You can refer to the website: [www.studyinnewzealand.govt.nz/nzisc](http://www.studyinnewzealand.govt.nz/nzisc) for downloading the application form and other relevant documents. Last date for registration is 8 August 2017.

Please feel free to get in touch with Ms Monmi Barua/ Ms. Ragini Kumar at [monmi.barua@teri.res.in](mailto:monmi.barua@teri.res.in) / [ragini.kumar@teri.res.in](mailto:ragini.kumar@teri.res.in) or call us at 011- 2468 2100/ 4150 4900 (2430/ 2482).

### The Principal

**Subject:** From TERI- Call for Applications for New Zealand - India Sustainability Challenge (#NZISC)

Dear Sir/Madam,

I am pleased to invite your institution to participate in the 'New Zealand - India Sustainability Challenge' (#NZISC) programme which is being implemented by Education New Zealand (ENZ) and The Energy and Resources Institute (TERI). The programme is an inter college competition on identifying sustainability challenge in their respective campuses and come up with collective social and environmental solutions.

Please find a copy of the programme poster enclosed with this letter. Request you to nominate a team comprising of a faculty member and two students to take participate in the challenge. Last date to apply for the competition is 8 August 2017.

To download the registration form and for more information, please refer to the website: [www.studyinnewzealand.govt.nz/nzisc](http://www.studyinnewzealand.govt.nz/nzisc). I request you to circulate the information about the competition amongst the students and encourage them to participate in this distinctive youth programme.

Please feel free to get in touch with my colleagues Ms Monmi Barua or Ms.Ragini Kumar at [monmi.barua@teri.res.in](mailto:monmi.barua@teri.res.in) / [ragini.kumar@teri.res.in](mailto:ragini.kumar@teri.res.in) or call at 011- 2468 2100/ 4150 4900 (2430/ 2482).

I look forward to your support in making this programme a huge success and in promoting engagement of your students to design collective social and environmental solutions.

With kind regards,

Yours sincerely,

**(Livleen Kahlon)**

Encl.: As above.
