Inputs from BEE

Note**Activities being undertaken by BEE during National Energy Conservation Week (08th-14th December 2021) under 'Azadi ka Amrit Mahotsav'**

Ministry of Power is celebrating "National Energy Conservation Week from 8th – 14th December 2021" as an iconic week under "Azadi ka Amrit Mahotsav (AKAM)". During this week, various energy conservation activities are being undertaken by the Ministry through its offices/organizations. In this endeavor, Bureau of Energy Efficiency is undertaking the following activities:

1) National & State Level Painting Competition 2021

Bureau of Energy Efficiency is organizing the State level painting competition from 1st to 10th December' 2021 in all 36 States and Union Territories of the country, and it will culminate to a National Level Painting on 12th December' 2021 at New Delhi. The winners of the National level competition will be awarded on the occasion of National Energy Conservation Day, December 14th 2021.

Online registration for Schools and Individuals is active at the Bureau portal (www.bee-studentsawards.in) from 1st November, 2021 and will remain open till 30th November, 2021. Nodal Agencies have received registrations from more than 45,000 individuals in this on-going painting competition. As many as 179 Venues have been finalized by the respective Nodal Agencies for organizing State Level Painting Competition. The list of identified venues and proposed details of State level competitions are enclosed as *Annexure –I*.

Bureau, to ensure maximum participation is giving its best efforts to popularize the competition and enhance participation. Nodal PSUs (as per list annexed at *Annexure –II*) are also running campaign in their States thorough FM Radio/AIR/Video films, Print advertisements and other Social Media Platforms.

Paintings drawn by the participants would be evaluated by the committee of State level Experts/Jury of that particular State/UT for two groups separately i.e. Group A (5th to 7th Standard) and Group B (8th to 10th Standard). The first, second and third scanned

paintings of both the groups would be forwarded for National Level Competition. A committee of National level jury has been constituted comprising of 8 eminent personalities from the field of Art, drawing teachers by BEE who will evaluate the paintings from State/UTs on 12th December 2021 for National level awards.

The National level awardees would be felicitated with awards on 14th December 2021.

2) National Energy Conservation Award (NECA), 2021

In order to raise awareness on energy efficiency and its conservation, BEE, under the guidance of Ministry of Power, recognizes and encourages endeavors of industrial units, institutions and establishments in reducing energy consumption by felicitating them with Energy Conservation Awards on the occasion of National Energy Conservation Day, celebrated on 14th December every year. These awards are presented on EC day by eminent dignitaries and highest functionaries such as Hon'ble President, Hon'ble Prime Minister and Hon'ble Union Minister of Power.

This year, online applications were called from Industry, Transport, Building, Institution and Appliance category, which were further divided in 30 sectors. A total of 408 applicants participated for NECA 2021 till closing date.

The award committee chaired by Secretary, Power has finalized the awardees who would be felicitated with National Energy Conservation Awards on 14th December 2021.

3) National Energy Efficiency Innovation Award (NEEIA) 2021.

This year, apart from National Energy Conservation Award (NECA), BEE is introducing National Energy Efficiency Innovation Award (NEEIA). It is to recognize and award "Innovative Energy Efficiency Technologies" and instill a sense of competition to motivate industries & sectors to develop innovative energy efficiency measures in the facilities.

The online applications were invited from Category A (Industry, Transport, Building) & Category B (Students & Research Scholars). A total of 149 applicants participated for NEEIA 2021 by the due date.

479996/2021/ENERGY CONSERVATION SECTION

The award committee chaired by Secretary, Power has finalized the awardees who would be felicitated with National Energy Efficiency Innovation Awards on 14th December 2021.

DO No. 12/05/2021-EC

November 29, 2021

Dear Secretary

As part of celebration of "**Azadi Ka Amrut Mahotsav (AKAM)**", the Ministry of Power is celebrating the "**National Energy Conservation Week (NECW)**" from 8th to 14th December 2021. This year, the celebration of NECW also assumes importance in view of the recent CoP26 Summit at Glasgow wherein the Hon'ble Prime Minister of India announced our country's ambitious goals of energy transition and energy conservation. In order to fulfill our goals for reduction of carbon intensity of the economy, the role of our energy efficiency and conservation programmes is very significant and so far the initiatives taken have resulted in good achievements as below:

- i. Under Energy Efficiency programme PAT (Perform, Achieve and Trade) for industries, we achieved efficiencies leading to reduction in CO2 emission of about 87 million tonnes per annum.
- ii. Under our UJALA LED programme, EESL has distributed 36.74 crore LED bulbs and achieved saving of 56 billion units of electricity per year with reduction in emission by 44.5 million tonnes of CO2 per annum.
- iii. EESL has installed about 1.19 crore LED street lights across India. This has resulted in estimated energy savings of 7.99 billion units per year and reduced emission by 5.50 million tonnes of CO2 per year.
- iv. Energy efficiency schemes / programmes have resulted in Electrical energy savings of 145.03 Billion Units worth INR 87,019 Crores and avoided capacity generation of 45.22 GW.

2. In order to give further impetus to the ongoing efforts in the field of energy efficiency particularly during the 75 year of India's Independence ie. Azadi Ka Amrut Mahotsav (AKAM), the Ministry of Power has planned several activities during our iconic week 'National Energy Conservation Week' from 8th December, 2021 to 14th December, 2021 as illustrated below-

- a. EESL and other PSUs will distribute 1 million LED bulbs among the school children on single day i.e. on 14th December.
- b. Bureau of Energy Efficiency to organise National Painting Competition on Energy Efficiency for school students pan-India from 1st to 10th December, 2021.
- c. National Energy Conservation Awards (NECA) to the industries is to be given in Vigyan Bhawan.
- d. Bijli ka Mahotsava by REC in remote, hilly, interior villages in Uttarakhand.
- e. Events by PFC in towns benefitted from system strengthening, IT enablement and SCADA in Jaipur, Golaghat / Dhemaji, Panjim, Ajmer, Pushkar
- f. Events by NHPC, SJVN, NTPC and DVC in the local areas in and around their HEPs/TPPs.

RIGHT TO
INFORMATION

एक कदम स्वच्छता की ओर

3. The weeklong celebration would promote across every nook and corner of the country the concept of energy efficiency as well as other developmental and capacity building measures undertaken by MoP CPSEs. The details of the programme to be conducted by BEE and EESL are enclosed at **Annexure-1** and the programmes to be conducted by other CPSEs of MoP during this period are attached at **Annexure-2**.

4. Needless to say that such campaigns cannot be executed without the overall support and guidance of concerned Ministries such as Ministry of HRD, Department of School Education and Ministry of Panchayati Raj which may facilitate BEE and EESL in getting cooperation of Schools and village Panchayats for painting competition and distribution of LED bulbs.

5. I invite other Ministries also to join this celebration and organise awareness programme through organizations under their Ministry to plan activities on energy efficiency and energy conservation during this Iconic Week and be a part of this national initiative on the grand occasion of Azadi Ka Amrut Mahotsav.

6. For additional information and co-ordination, your office may please contact our nodal officers namely Shri Rakesh Kumar Rai, Secretary BEE at Mob. 9818117168/email: bee-secretary@beeindia.gov.in; Shri Arun Mishra, CEO EESL at Mob. 9873549016/ email: ceo@eesl.co.in and Shri R.N.Singh, DS, MoP at Mob.9560067734/email:ravindranath.singh@nic.in.

Yours sincerely,

Sd/-
(Alok Kumar)
