Objectives of National Girl Child Day

The objective of National Girl Child Day is:

- 1) to create awareness about the rights a girl owns and to give girls the opportunities like everyone else, also to support the girl child of the nation and remove gender-based biases.
- 2) to promote awareness about the inequalities that a girl child faces and educate people about girl's education. Basically to value them and to respect them like everybody else and give a new perspective towards girl child and to decrease discrimination.
- 3) The main focus is on changing society's attitude towards girls, decrease female feticide and create awareness about the decreasing sex ratio.

REPORT

As part of the *Azadi Ka Amrit Mahotsav*, the NSS Cell of Tecnia Institute of Advanced Studies observed the **National Girl Child Day 2022** on January 24, 2022. The Day was observed online because of the third wave of the Covid 19 pandemic. National Girl Child Day is celebrated in the country on January 24 every year with an objective to provide support and opportunities to the girls of India. It aims towards promoting awareness about the rights of the girl child and to increase awareness on the importance of girl education, and their health and nutrition and also to promote the girls position in the society to make their living better among the society. Gender discrimination is a major problem that girls or women face throughout their life. National Girl Child Day was first initiated in 2008 by the Ministry of Women and Child Development.
