Dear Principal

Department of Environment & Forests, Govt. of NCT of Delhi has a Plan Scheme called Eco-clubs in Schools and Colleges of Delhi. The objective of the Scheme is to sensitize the students on various environmental issues. Your institution is a member of Eco-club and is doing various activities involving students from time to time.

As the monsoon has already reached in Delhi, may I request you to kindly initiate Plantation Drive/Van Mahotsava in your school/college and nearby areas involving students, preferably during July and August. Area MLA/MP and other elected representatives of your area as well as local RWAs may be involved in the plantation drive and other eco-club activities.
