Hello,

Hope you're doing well!

We the team, The Sarkari school is an organization, that enriches the value of government schools. It supports and provides aid in every possible way for the betterment of education of the younger generation.

The Project Gudiya is an initiative of Sarkari school which focuses on enhancing girls' education in the country.

We, the team and our founder, Mr Abhishek Ranjan, believe that girls can be empowered in the best way through education.

To work on this, We have launched a series, "**Our Girls Icon**," a series of one-on-one Interviews of 30 Minutes with inspiring girls students pursuing higher studies. We wish to feature those who, despite facing a lot of struggle, challenges, fallings, irrespective of their rural/tribal/underprivileged background, **finished their schooling and currently studying in college/university.**If you feel the about words reminds you of your days of struggle, your story of life. **Interaction would be live on youtube, instagram and twitter.**

★ Please come forward, share your story and get in touch with us to nominate names ★
