REPORT

An event "Talk by Specialist: Hygiene and cleanliness" of Fit India Youth Club of Tecnia Institute of Advanced Studies was organised on 28/11 /2020 with reference to UGC's letter no 1-54/2019 (Website/Fit India) dated 13th December, 2019 for the implementation of "Fit India Campaign" in Higher Educational Institutions. In contrast with physical activity, Based on the theme "Hygiene and Cleanliness" which is related to the movements that students perform, physical fitness is a set of attributes that students have or achieve. Being physically fit has been defined as *"the ability to carry out daily tasks with vigor and alertness, without undue fatigue and with ample energy to enjoy leisure-time pursuits and to meet unforeseen emergencies"*. Both physical activity and physical fitness vary among students. No student has no activity just as no person has no fitness-all are active or fit to greater or lesser degrees. It is mandatory for all the students that they should engage themselves in any kind of physical fitness activity.

Fitness club in association with student welfare department of Tecnia Institute of Advanced Studies along with student, faculty and staff members organized Talk by Specialist fitness campaign activity based upon the theme Hygiene and cleanliness. The programme was conducted on virtual platform where all the students and staff members also participated. 68 students participated in this event from the department of BBA, BJMC and BCA, MBA.

Resource person of the event was Dr. Ruby Kumari (CMO Aruna Asaf Ali Hospital, New Delhi). She emphasized on the community spread of COVID-19 disease and made the students aware about how to protect themselves from the deadly virus. She quoted that "Corona Virus is very fatal to the lives of people, so we need to take precautions for ourselves and our family too".

She also provided some directions and guidelines about how to keep our surroundings clean and safe.

Learning Outcome

Students have learnt about

- ❖ about the spread of deadly disease Corona.
- ❖ community spread of Corona Virus and its treatment in its early stages.
- ❖ to publicize the awareness about COVID-19 disease.
