## **Objectives:**

- To make the attendees aware about Intellectual Property Right and its importance.
- To make the attendees understand different types of IPR
- To brief the attendees about procedure of Patents.
- To make the attendees aware about job prospects of IPR.

## **Report:**

A National webinar was successfully organized on 29<sup>th</sup> January 2022 at Tecnia Institute on the topic of “National Webinar on Awareness of Intellectual Property Right” organized by the TIAS Library and IIC (Institutional Innovation Cell) under National Intellectual Property Awareness Mission (**NIPAM**) undertaken by Controller of General of Patents Designs and Trademarks for Students, Faculty members and Library Professionals.

The guest resource speaker was Dr. D. Usha Rao, Asstt. Controller of Patents & Designs, Ministry of Commerce & Industry, Gol, New Delhi. In the beginning, Dr. Anil Jharotia, Head Librarian and Co-Convener of the webinar welcomed the guest and attendees. Dr. Nivedita, In charge IIC and Head Training and Placement Cell introduced the speakers to the attendees. In the opening remark, Dr. Ajay Kumar, Director, Tecnia Institute of Advanced Studies spoke about IPR and on the concepts of Creative India and Innovative India. The guest speaker Dr. D. Usha Rao made the attendees understand what is IPR and its benefits. She discussed about different types of patent and their procedural documentation, its filing and fees. She briefed the attendees about various aspects of IPR like trade mark, copyrights, SICLD, GI tag product, design, product, service product etc. IPR. She also explained the attendees about the rights of authors of copyrighted works. She briefed the students about the career opportunities and job prospects in the field of IPR.

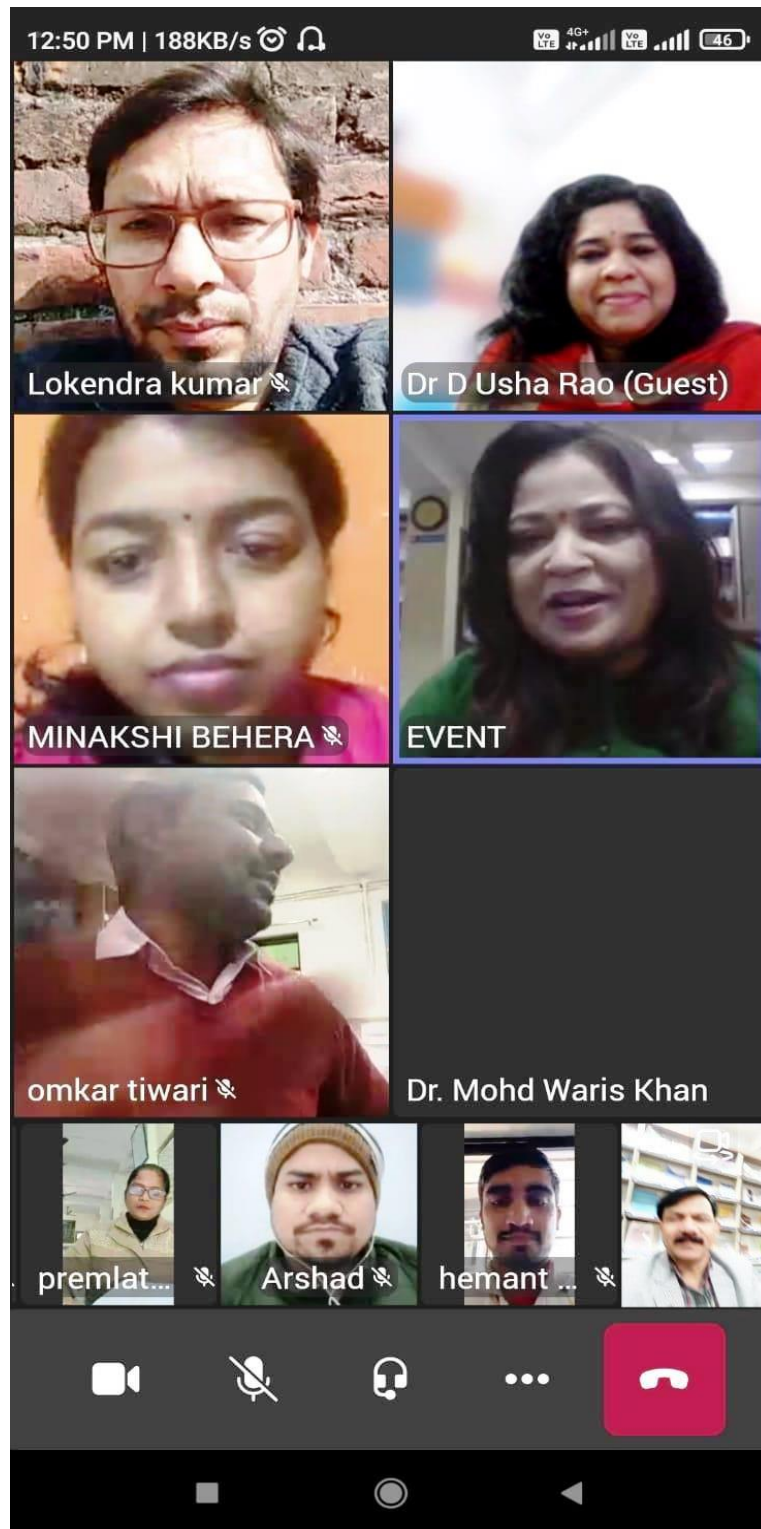

The webinar was attended by 289 attendees comprising of students, faculty and library professionals from different colleges from all over India. The Webinar was well coordinated and well received by the attendees. Dr. Rao answered to all the questions and doubts asked by attendees. The webinar ended with a vote of thank by Dr. Nivedita, Head Training and Placement Cell and In charge IIC- TIAS followed by feedback collection.

## **Learning Outcome:**

- The attendees understood about IPR and its importance
- The attendees got clarity about copyrights and patents.
- The attendees understood the process of filing IPR

- The attendees understood different types of IPR including copyrights, trademarks, SICLD, GI tag products
- The attendees got awareness about the job prospects of IPR.
