National Service Scheme:

The National Service Scheme (NSS) is a central sector scheme of the government of India, Ministry of Youth Affairs & Sports. It allows the students of 11th & 12th Technical Institutions, graduate & post-graduate at colleges and university level of India to be a part of various government-led community service activities & programmes. It aims to provide hands-on experience to young students in delivering community service. NSS Logo:

The symbol for the NSS has been taken from the Rath Wheel of the world-famous Konark Sun temple. The eight strokes in the wheel represent 24 hours of a day which is a reminder to be ready in the service of the nation round the clock. The red color indicates youth full of passion, energy. The blue color indicates NSS as a tiny part of the cosmos, always ready to contribute to the welfare of mankind.
