REPORT

Anti-Terrorism Day marks the death anniversary of former Prime Minister Rajiv Gandhi. He was assassinated on 21 May, 1991. The day holds importance when it comes to 'terrorism'.

On 21 May, every year Anti-Terrorism Day is observed to provide knowledge to the youth about terrorism, its impact on human suffering, and lives. This day also makes people aware of an antisocial act of terrorism. Every day we come to know about one terrorist act or another via newspaper or TV. Basically, the terrorists want to create fear in the minds of the common people. Without any remorse, they kill thousands of people because they don't have any conscience.

It is necessary to propagate the message of humanity and peace. Indian Government has taken the step by celebrating Anti-Terrorism every year to highlight the importance of fighting with the activities of terrorism.

The day spread awareness about the violence caused by the terrorists. Due to the COVID-19 pandemic, it will be observed with precautions. MHA has advised that the 'Anti-Terrorism Pledge" may be taken solemnly by the Officials in their rooms/offices itself, keeping in view the safety of participants and organizers and avoiding public gatherings officials working from home may also advised accordingly.

In addition, considering importance and solemnity of the occasion, innovative ways of propagating the message of anti-terrorism through digital and social medial platforms is also considered.
