- To make students learn how to answer difficult questions
- To improve their communication skills
- To develop their interview strategies
- To reduce their stress before an actual interview
- To boost their confidence
- To help them prepared for behavioural-based interview questions.

REPORT:

Mock interview session was organized for BCA 3rdyear students on 01thNov'21 by TIAS who are aiming to take jobs in various sectors after completion of their BCA degree. The purpose of organizing the session was to prepare the students for their placements. It was a two-hour session. Mock interviews are simply practice sessions to teach people about the look, sound, and feel of actual interviews. Mock interview provides an opportunity to student's actually practicing going through an interview, answering and asking questions, and hopefully learning about the rhythm and possible interview questions they will face in real life. The interview questions were related to their field of study and their scope of improvement in respective field. It was an interactive session and was well received by the students.

LEARNING OUTCOME:

- Students' got tips to increase their employability skills.
- Students' confidence level increased.
- Students were aware about their shortcomings, so that they can improve it
- Student's interview strategy was enhanced.
