With reference to circular GGSIPU /misc/2022/33, dated 31.03.2022, subject 5th edition of 'pariksha pe charcha' On 1st April, Prime Minister Sri Narendra Modi interacted with students, parents and teachers on Pariksha Pe Charcha. PM talked to students about keeping calm and acing the incoming exam season.

PM informed that "The enthusiasm towards this year's Pariksha Pe Characha has been phenomenal. Lakhs of people have shared their valuable insights and experiences. I thank all those students, parents and teachers who have contributed."

While interacting with the students, PM Narendra Modi said that he may not be able to address all the questions but will create different channels to address students' queries. "Either via video, audio, written fax or NaMo app, I will try to answer all queries so that no student has to be with their doubt for a long time," PM Modi said.

He discussed that Students must connect with their inner self while preparing for examinations. He further said with interaction with students that "Using an iPad or being online gives us happiness but students must understand their inner self as it is more joyous than being online. Students must take out few minutes every day to reflect inside themselves," Modi said.
