Report:

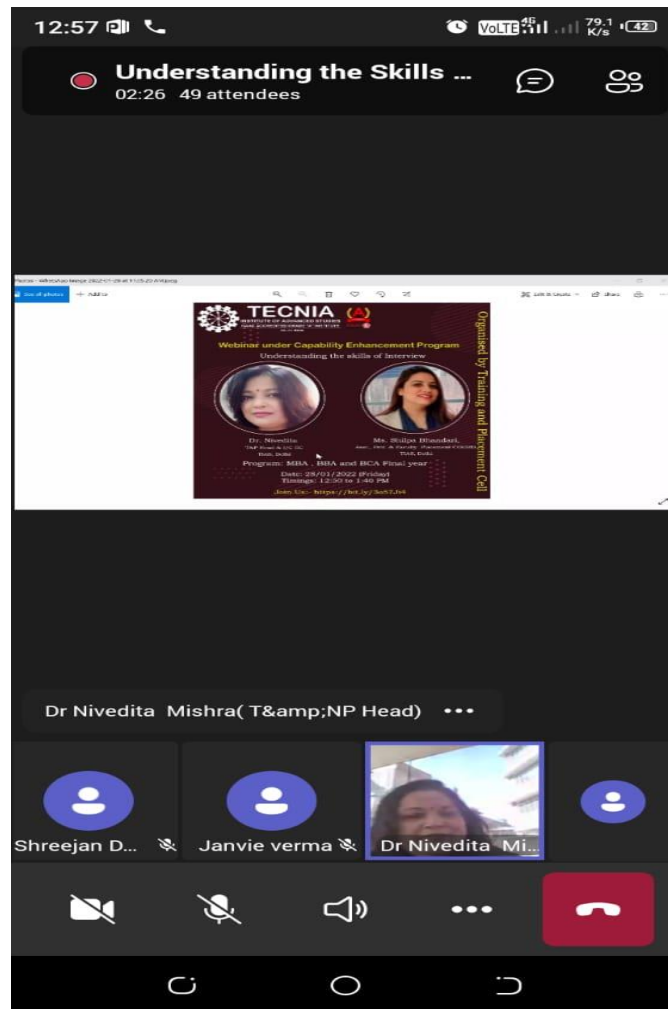

A webinar was organized on 28.01.2022 by Training and Placement Cell under the ambit of Capability Enhancement Scheme on the topic, Understanding the Skill of Interview. The resource speaker for the webinar was Dr. Nivedita, Head Training and Placement and In-Charge IIC, TIAS. The Speaker discussed about importance of interview in selection process for job and higher studies. She described that while interviewing especially for job the interviewer asks the questions on skills due to several reasons, like suitability for their role, strengths and weaknesses and to determine the employability to find the candidate who has the right mix of personal, fundamental and team work skills along with competencies. She described that skills the candidates should exhibit in an interview are communication skill, business acumen, collaboration or team work, adaptability, problem solving, positivity, skills of organization, leadership, negotiations , perseverance , confidence, self-motivated, ability to work under pressure, IT skills. She described the process of interview and o the candidate should prepare for it. She said that one should Research the Organization, Prepare and Practice the Answers, polish the image, stay calm and during an interview make a right impression, answer the right questions, get right tone, pay attention to body language, give right answer, not to falsify the information, sell the strength and skills, not to speak bad about past employer, not to speak over the interviewer and always ask few questions about the job and companies. She also briefed the

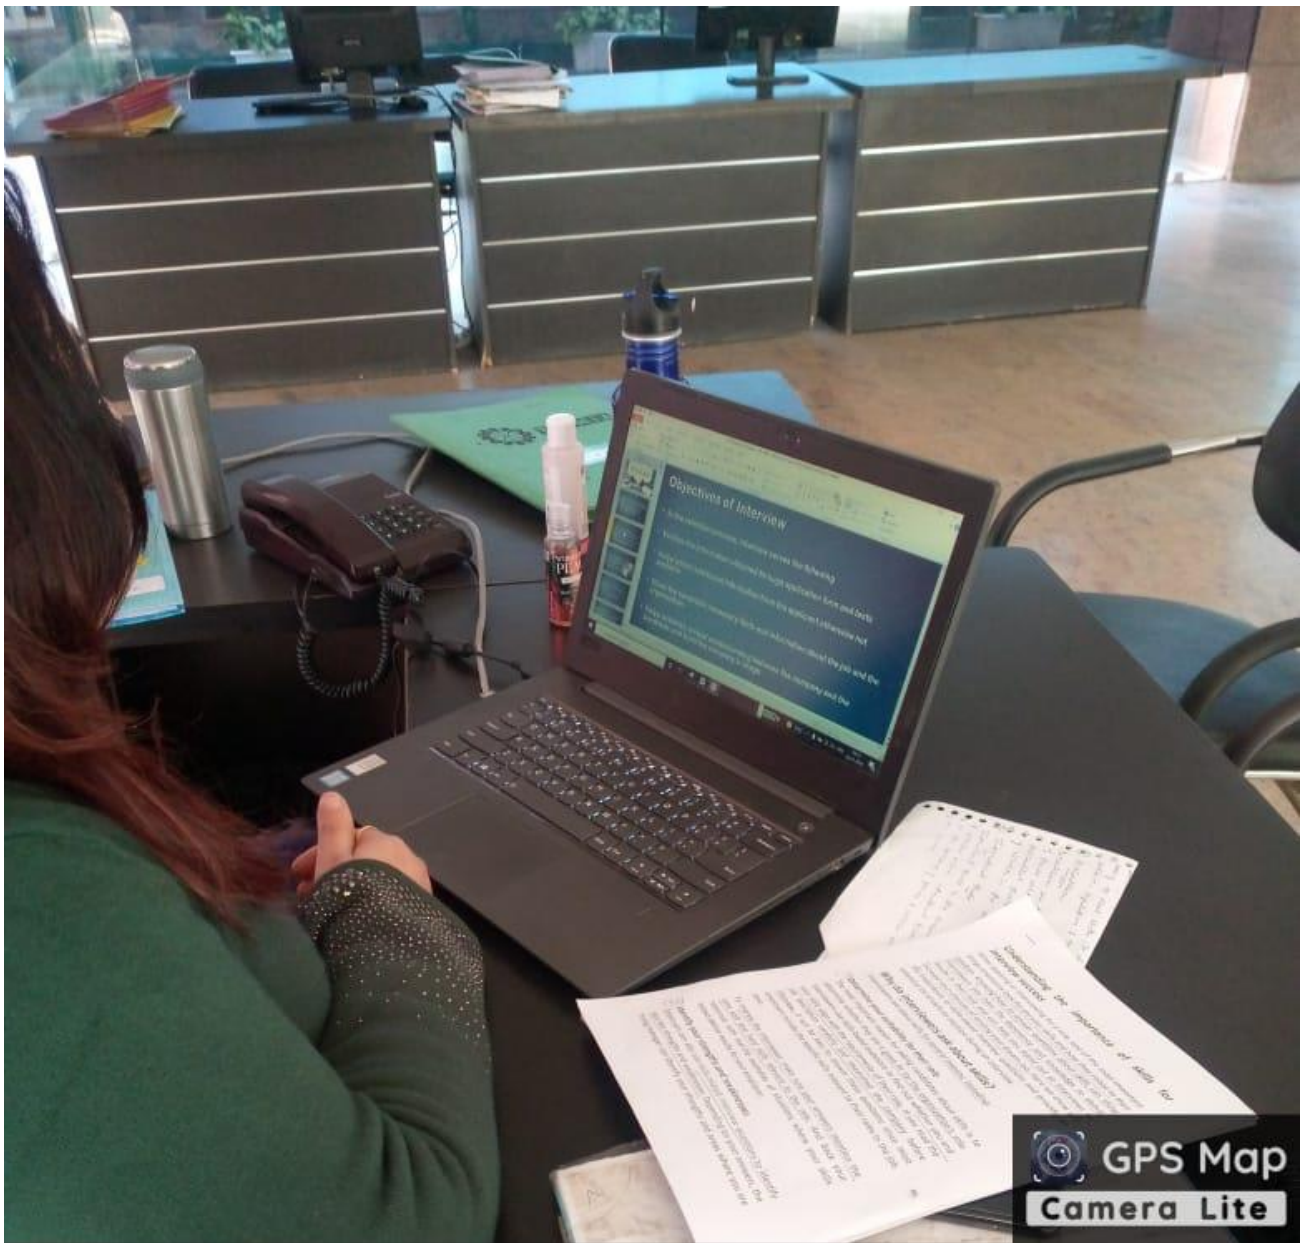

interview process on digital platform and suggested do's and don'ts of virtual interview. The one hour session was well coordinated and well received by the students.

Learning outcome:

- The students understood the importance of interview.
- The students understood the process on interview
- The students understood how to prepare for interview.
- The students understood the how to appear in the interview
- The students understood the dos and don'ts of face to face and virtual interview.
- The students' confidence was enhanced.
