## **REPORT**

A plantation drive on occasion of World Environment Day was organized by Tecnia Institute of Advanced Studies, Rohini area of Delhi on 5<sup>th</sup> June, 2020. John Keats once said “The poetry of the earth is never dead”, students of Tecnia Institute of advanced studies inculcate this perspective and in order to save earth from global warming and human deeds like afforestation students planted trees in their campus area and the surroundings.

Students brought different types of saplings and planted them in the campus. Plants are an important part of nature and for survival also. The ability of plants to control pollution and rejuvenate nature teaches us to plant more trees. Dr. Kirti Miglani, convener of the event said “We get oxygen and other components from nature which are necessary to survive so we should celebrate and thank mother earth and nature to give us so many things, it's our duty to at least plant trees in return and maintain sustainable development for the upcoming generations.

The special invitees of this event were Dr. Ajay Kumar (Director TIAS), Dr. Sheetal Badesra (Incharge Students Welfare) and all the Departmental Heads with the respective faculty members of TIAS.
