## REPORT

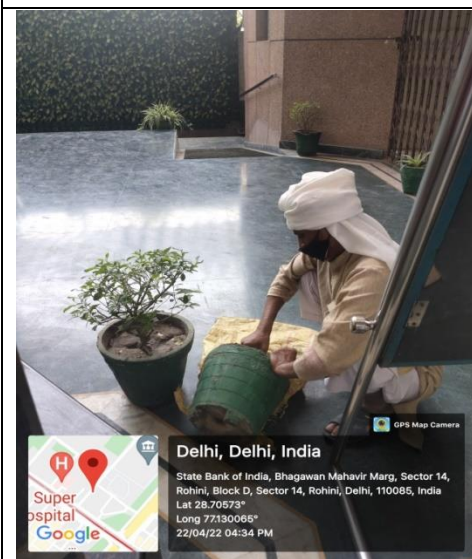

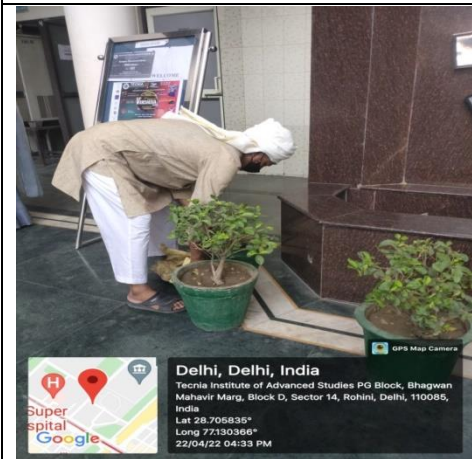

A plantation drive along with a poster making activity was jointly organized by Institution's Innovation Cell, Eco Club and NSS of Tecnia Institute of Advanced Studies on 22nd April, 2022 to celebrate Earth Day. Dr. Nivedita, Incharge IIC TIAS told the students about the theme of the Earth Day 2022, 'Invest In our Planet' calling for businesses to shift towards sustainable practices'. She described that this would change the business and political environment and also the action plan to combat the climate problems . She also briefed the students that the time has come to really protect our earth and our health, families and livelihoods and to stop the exploitation of earth for the short term profits. She said that earthday.org has given a theme and she quoted, "together, we must Invest In Our Planet, Because a green future is a prosperous future. We need to act (boldly), innovate (broadly), and implement (equitably). It's going to take all of us. All in Businesses, governments, and citizens — everyone accounted for, and everyone accountable. A partnership for the planet. And while there is still time to solve the climate crisis, time to choose BOTH a prosperous and sustainable future, and time to restore nature and build a healthy planet for our children and their children, time is short". The attendees brought different types of saplings and planted them in the campus. Few students made posters also. The attendees participated with full zeal. The special invitees for the event were Dr. Ajay Kumar (Director TIAS), Dr. Sania Kukkar (Eco Club TIAS Nodal Officer) and Ms Vaishali Prasad (NSS- Nodal Officer), all the Departmental Heads with the respective faculty members of TIAS.

### LEARNING OUTCOME:

- The attendees got awareness and message of celebration of Earth Day 2022
- The attendees were sensitized towards the mother earth and its full bounty and bliss.
- The attendees were motivated to act, innovate and implement the sustainable solutions against exploitation of earth and protection of climate.
- The attendees understood their role and responsibility in the movement
