REPORT

This activity has been organized by the Fit India Youth Club of Tecnia Institute of Advanced Studies on 28.03.2022 in continuation of UGC's letter no 1-54/2019 (Website/Fit India) dated 13th December, 2019 regarding the implementation of "Fit India Campaign" in Higher Educational Institutions. In this event, Dr. Sarika had generated the awareness about the diseases one can suffer from bad toothache, teeth etc. All the participants (students and faculties) enjoyed this event and were glad that these types of events were organised in the institution where they can learn something about the infections that they can suffer if they will not take care of their teeth and grow themselves. This event generated awareness in the students and faculties of the Tecnia Institute of Advanced Studies about the dental ache diseases students are suffering and can suffer by not taking care.

The main aim was to provide emotional concern for the students to build their mental health and to create awareness through this event.

Students & Faculty Participation in the event

LEARNING OUTCOME

Participants have

1. acquired relevance of creating hygiene of the tooth
2. acquired knowledge of the diseases related to dental issues
3. attained awareness that help find potential issues before they become a problem.
