As you are aware, EBSB is a programme for promoting national integration through systematic exchange between paired States/ UTs in the cultural, literary and linguistic fields. The expectation is that the students of one state should learn the linguistic and cultural aspects of the paired state covering history, culture, language, cuisine, festivals, clothing etc. At least 50 students from a state (25 students from schools + 25 students from HEIs) will visit the paired state at a time and will travel to the paired state. Besides promoting the spirit of EK Bharat Shrestha Bharat, this programme will help them gain an understanding of the cultural beauty of India as well as provide them an understanding of diverse socio-economic living experiences.

AICTE is the implementing agency for this prestigious programme on behalf of MoE, Gol. However, The Nodal institutions will be overall responsible for executing the entire programme.

'Azadi Ka Amrut Mahotsav' is an initiative of the Government of India to celebrate and commemorate 75 years of independence of progressive India and the glorious history of its people, culture and achievements. The Hon'ble Prime Minister of India launched the 'Azadi Ka Amrut Mahotsav' by flagging off 'Dandi March' from Sabarmati Ashram, Ahmedabad on 12th March, 2021. The celebration commenced 75 weeks prior to Independence Day, 2022 and will extend up to Independence Day, 2023. To mark this occasion of great significance, Ministry of Education has launched this initiative titled Students Exchange Programme on Azadi ka Amrit Mahotsav. The programme will facilitate the students' visit to their paired State and UT (as per the pairing matrix of EBSB). Besides promoting the spirit of Ek Bharat Shrestha Bharat among children, the program will help them to gain an understanding of the cultural beauty of India as well as provide them an understanding of diverse socio-economic living experiences.

The broad plan is for **750 school students** and **750 college students** to together visit their paired states on a **5- day tour** (excluding travel time) during which they will gain firsthand experience of various aspects of life in that state. This could range from, but not be restricted to exposure to language, cultural traditions, art forms, tourist attractions, sporting experiences and cuisines of the state to local crafts and industry, public sector undertakings, development icons and any other significant aspect of the state. Shopping, immersive experiences, home visits should also be part of the itinerary. The students will visit 2-3 / cities / towns / villages in each state over the 5-day period. Students will share their experiences through social media, blogs, vlogs etc on a daily basis. The programme envisages cooperation of all participating ministries under EBSB, as well as the state governments. The role of each ministry / department has been defined in consultation with them.

The Nodal institutions will be overall responsible for executing the entire programme. However, various coordination committees at AICTE level have been constituted for ensuring coordination between the Ministries and the Nodal Institutions in case of need, because as per the directives received, AICTE will be the overall implementing agency on behalf of from the Ministry of Education, Government of India at National level for the AKAM- EBSB: Visit of Students to paired states.
