#### **Resource Person:**

Ms. Heena Lal, Training and Placement Office, TIAS

**Objectives:**

- To evaluate or check the knowledge of students about specific topic and how he/she reacts at the time while speaking.
- To evaluate student's presence of mind that how quickly their brain processes.
- To check how students begin and end speaking on a particular topic.
- To measure students tone one at the time of speaking, their facial expressions and movement of their hands.

**Report:**

An Extempore activity was conducted by Training and Placement Cell of Tecnia Institute of Advanced Studies on 10<sup>th</sup> May, 2022 under the ambit of capability enhancement program. The motive of conducting this activity was to enable the students to think out of the box and off the feet. It is a great platform to develop communication skills and time management. It was conducted to push the students to conceive and generate ideas without any preparation and to make them address and analyze the issue on the spot. Few topics were written on small pieces of paper which were then folded. Students were then called one by one and were asked to pick one paper with a topic, on which they were asked to speak on the spot in front of the entire class. Post to that each students were evaluated and guided by Ms. Heena Lal on their areas for improvement. Thus, this activity was very fruitful in enhancing the skills of the Students and this will definitely benefit them a lot in future. The Training & Placement Cell will continue to work in this direction and will lead students towards a brighter and successful future.

**Learning outcomes:**

- Students were able to overcome their fear of public speaking to an extent.
- Students got an opportunity to analyze the topic using their critical thinking skills.
- Students were able to understand the importance of body language, hand movements, facial expressions while speaking in front of audience.
- Students became more confident.
