It took sacrifices of many freedom fighters and several decades of struggle from 1857 to 1947. Finally the result of long years of struggle came in front on 15th of August 1947 when India got freedom. As we all know that Independence Day is an auspicious occasion for all of us. India's Independence Day is the most important day to all the Indian citizens and has been mentioned forever in the history. Independence brings in basic fundamental rights to all the citizens of this country; we all should feel proud of our Motherland; to be an Indian and admire our fortune that we took birth in the land of an Independent India; History of slave India reveals everything that how our ancestors and forefathers had worked hard and suffered all the brutality. We cannot imagine by sitting here that how hard they fought for independence from the British rule.

their lives in getting freedom for India.
