

## REPORT

### Report on celebrating of World Environmental Day at Tecnia Institute of Advanced Studies, Rohini on 5<sup>th</sup> June 2020

<b>Event</b>	: World Environmental Day (Air pollution)
<b>Topic</b>	: Debate on Air pollution
<b>Convener</b>	: Dr. Kirti Miglani
<b>Participation</b>	: BBA, BJMC, BCA, MBA
<b>Date</b>	: 05th-June-2020
<b>Day</b>	: Friday
<b>Event</b>	: online
<b>Timing</b>	: 10.00-3.00 PM
<b>Platform</b>	: Online Microsoft Team
<b>No of Participants</b>	: 28

## **OBJECTIVES OF THE EVENT:**

- To make Students aware about various pollution that affect the our surrounding environment and health
- To create the emphasis on continuous efforts to develop the clean air.
- To appraise the various practices and measures to improve the air quality.

## **REPORT**

Debates on Air pollution was organized by NSS of Tecnia Institute of Advanced Studies, Rohini, Delhi on 05th-June-2020 (Friday). TIAS propagated Eco Club under the aegis of Department of Environment, Government of NCT of Delhi, which is accountable and responsible for enriching the overall Environmental Quality, environmental assessment, monitoring, protection and awareness among the students. Tecnia Institute's Eco Club also plays an important role in creating environmental awareness amongst our future generation.

### **Debates on Air pollution**

NSS of Tecnia organized debates on “ Air pollution on different places” under NSS in charge – Dr. Kirti Miglani, Assistant Professor- BBA, actions to improve the environment. A Group of students Volunteers from various programs have participated in it.

Air pollution can be defined as the presence of toxic chemicals or compounds including those of biological origin in the air, at levels that pose a health risk. In an even broader sense, air pollution means the presence of chemicals or compounds in the air which are usually not present and which lower the quality of the air or cause detrimental changes to the quality of life such as the damaging of the ozone layer or causing global warming. To fight with these problems and spreading awareness about the same, Tecnia NSS spearheads the message on “Measures to control Air pollution” through Debate involving the students of various programs.

### **Learning Outcome:**

Students have learnt about

- Air pollution that affects the health of all living beings.
- various measures to control air pollution
- Hazardous & toxic nature of ingredients responsible for Air pollution.
