TIAS NSS- ANTI CRACKER CAMPAIGN

Society is an integral part of the surrounding Environment and the solution to many environmental problems lies in our attitude towards environment. The best way to bring about a change in this attitude in society is through youth. Here comes the role of NSS formulated at our Institute, which plays a very important role in creating environmental awareness amongst the future generations.

OBJECTIVES

The NSS intends to achieve its following objective;

1. To create the awareness through campaigns on Anti-Fire Cracker and other Environment issues.
2. To create the awareness that air and noise pollution affects the health of all living beings.
3. To appraise about the Hazardous consequences of bursting crackers.
4. To create the awareness about Environmental Health Effects -Hazardous & Toxic Nature of Ingredients Used in Firecrackers

Diwali is a festival of lights celebrated to dispel darkness and bask in the warmth of the life of our near and dear ones. But with the anomalies happening in every phase of life our Diwali has also transformed into a festival of smoke, ear piercing sound which leads to Pandora's Box of diseases, pollution and chaos. To fight these problems and spreading awareness about the same, NSS Members and Students of TIAS participated in the Anti-cracker Campaign in which they organized a Nukkad-Natak on “**NO USE OF FIRECRACKERS**” in the College premises **on 5th June 2018**, and spreading the message of a Green Diwali and to make people aware of the hazardous consequences of bursting crackers.

The Nukkad Natak had a positive impact on the people and they showed a keen interest in the wonderful performance of our students. The Students team comprised of following members:-

BJMC 3rd Sem, 1st shift, Division A	Chaitanya Khamboj, Manya Mongia, Palak Gupta, Rishi Lunia, Ankita Garg,
